## The Sananda Scripts (Vol. 3:34)

Christ governs the Earth and vibrates through every molecule of Earth's body making whole again. The Christ Spirit can govern your life if you will let It, making whole again that which was subject to the world. Accept the Christ within your heart Center and agree with that Light. It is finished. It is done. Say that regularly without fail. From this point on you belong to Me. I AM the Presence of Divine Love and Increasing Light. Chosen from the Beginning, rise into higher worlds of Reality where I AM. And in this way do you bless Earth and shed her appearance. My children, My people, come!

At noon in Washington D.C. there is a ceremony which I have written about as Obama is inaugurated--the passing of the Eternal Flame to Lord Sananda and the planting of the Flame in an undisclosed vortex on Earth. Our group here will be observing that ceremony and reporting n it. All comes together in LOVE.

## The Sananda Scripts (Vol. 3:36)

I have good news for you this morning. We are ready to land our spaceships in frequency zones where they will be welcomed. The life force draining from this planet must be replaced and this will be a job undertaken by my service as Commander-in-chief of this planet. We will not let her die. But you must help. Please watch all your emotions and thought forms. Keep all of your energy wrapped in the Golden Light of the Solar Christ. Listen for further orders as they are revealed through your Inner Voice, the Solar Government of the I AM Presence. Be witnesses to a new planet and a planet of Life. For those of you who are studying the University transcripts, which address immortality and the dissolving of the death program, here is where you can serve most rightfully. Hold your consciousness as an immortal, one who has overcome the last enemy and bears witness to the lighted planet Earth. Be not afraid. All is well in the Light and in the service of the Christ. Selah.

## World Mother Scripts (Vol. 3: 62)

Tests are coming to regulate the action of The Son and His Presence on this Earth. Cataclysms can simply make the way for high-energy vortexes. Nothing is unexpected. You will be guided to safe places of residence. There is always a place for the divine workers of the Kingdom. We are ready to send out the flares of light announcing the New World Governor and His Office in the Supreme headquarters of the Son. Put nothing, no thing! in front of your Benefactor the Holy Spirit. Be lifted in joy and in blessing of love. Those are My words and you are My people in the Solar Son. Guidance comes.

The Mother level has now been reached and Teachings will come from Her post in the Center of all creation. Peace be with you.

We acknowledge the Light of God within us all, that is the Source of our knowledge, understanding and Wisdom and we recognize this Light in Crystal as the Source of all materials used in this publication.

May the Blessings of our Father-Mother God, The Love of The Christ and the Guidance of the Holy Spirit be and abide with each and everyone of us in this New Year of 2009.

Happy New Year. The Editorial Team

After the Fall you were subject to lower forces and remained so until the time of Israel's establishment as a nation. From that moment on new forces began to arrive on planet Earth. These forces of the liberation of humanity and all life intended are regrouping as a new wave that has entered the system.

The mask is finally released and all humanity and creatures of the light will be recognized as divine and measured thus for qualification in the light vibrations.

The sum total of this is:

1. No more quarreling on the planet. You will be liberated from conflict.
2. No disease will afflict you and cause you suffering so as to keep you from your ascension duties.
3. All Lightworkers, already chosen to serve as teachers of the light dimension (Sixth World), will be appropriated now to serve as intended from the First Agreement made with Melchizedek who is the author and originator of the terms hereof.
4. All wars will be halted in midstream if necessary. Every possible assistance shall be given to the United Nations and the vision of a united world of spiritual intent and cosmic origin.
5. Peace will reign by the teachers of the Light finally agreeing to serve the highest intention of their souls.
6. There has been a request for an increase in Angelic support here on Earth. This will be done. And no sooner was it requested in behalf of all — in behalf of the long-suffering peoples and all creation including our beloved Mother Earth — than the Angelic Kingdom began to respond in numbers.
7. We will remove all trace of human suffering as a platform is built to accommodate the new laws of planet circuitry. Resist not the Light. This Light has been increased to such an extent that it is beneficial for you to respond in positive acceptance to the direction of your soul's intent and the person of your guiding Prince of Peace.
8. Finally, all negativity will cease other than the

natural negative energy, bound and held in agreement with the unification program. That negative relationship is in coordination with the Queen Mother or Universe Mother and cannot be separated from the divine positive vibration of the Creator. Thus a magnetic energy field has been inserted within the body of the planet Earth to permit increased balancing to take place in all quarters of this land.

### These are the words of Melchizedek to you:

Dear ones, you have been lost, now you have been found. You have been united once again into the magnetic field of your Creator. This enables you — all life — to participate openly and with conscious agreement to the Father's Plan and to return to your image and likeness as a full registered Melchizedek experiential son.

Thus the orders have gone out by decree of Father Melchizedek and the Council of Twelve. A decision has been made through this Council and through the Presence of Michael, your Universe Creator, that this is a time of awakening and full recognition of the world of light. Your Inner Voice will guide you and direct you as you change your consciousness and become a true Melchizedek son (or Sun). Be aware of this.

You have entered the body of Michael, the Universe Creator. It is His will that governs the land and you will be "hearing" or "knowing" His Voice soon as Creative Power. This enables you to lift your spirit and to coordinate your vital emotions in a ring on Earth of vital supply for all.

As the increase in assistance and overturning of the lower energies is taking place, the negative resistance to the new world will be dissolved. Those who are not prepared for the increase of light, the new light jacket being extended now, may be lifted from the planet and taught of the new way in schools of light readied for this purpose. Others who remain here may feel a lack of identity, even confusion or a sense of paralysis. This will occur as the light dissolves the darkness and the ways of Earth are integrated with the ways of the Light. Because of the effect of the increased light upon many human beings, you are asked to serve as qualified teachers, as a guide and benevolent

## The Second Coming Is Here!

friend to the ones who will be in the throes of massive change.

Like a Great Wave I creep over you to know Myself. I send My Light Angels before Me to prepare the way. Let those who have understanding of My program lay down their nets and respond to the need of My planet. And when you do this I will provide all that you need in every area of your service. Be clothed with Light now and be suns of radiance. I AM the Second Coming, the Golden Gate has opened, the Messiah has passed through. Give up the conflict of your religious beliefs and come to the Truth of Melchizedek. I AM One.

### With this announcement....

The Christian term for this change into new dimensional frequency is the "Second Coming." It may be termed the entrance of the Messiah or the Sixth World. Names and religious terms often cause us to disagree and this disagreement has often taken us to war with one another. How foolish! How childish and how utterly stupid! But as the Apostle Paul has so ably stated, Then we saw in part. But as the veil of illusion lifts, we will see in wholeness.

Gather yourselves to the will of the Creator. Lift your hearts and minds to that One. Listen to the coordinating Spirit of the One Voice and serve the Hierarchy now in the field of Light as the Incoming Christ.

Humanity has been re-identified and re-created. Help others. Know that all has been forgiven. Can the tiny child be held accountable? The Earth has suffered too long. We will not let her suffer any longer. It is the decision of the Hierarchical Board that the Second Coming is released which is the wave of Christ Presence or the Universe Creator as a Sun upon all life.

There is naught you can do to earn this. It is done. And so it is with all life. God's miracles perform.

Peace and good will to all.

## Remember To Do Your Part

(THE MASTER'S PAPERS Number 111)

The Life Center of your universe is waiting for you to say "Yes." This is the control center for your world. From ancient times unto this hour the ways of this control center have been explained with the instructions Physician heal yourself.

Entirely too much grief is being spent on attempting to correct what cannot be corrected. For the work is not in correction but in releasing. What you wish to correct is nonexistent in Truth. Be where I AM is the continual song of the Creative Intelligence.

Much of what you are seeing today is the mass consciousness emptying of its darkness, its congealed negative emotions. This playing out of "Armageddon" need not be, if we could but remember the word "forgiveness" and joy in that remembrance.

Vengeance is Mine, saith the Lord does not mean that God will take revenge. It means that you must turn over to the God Presence any negative feelings you have towards anyone or anything. Because God is not a vengeful God. God is Love. The tribal centers must dissolve to light that man might know himself as one.

### Sweep your house clean

Often what occurs on the spiritual path is that the seeker skips the important cleansing of the Spirit — or that one misunderstands what cleansing truly is. When this important aspect of God's love is not accepted and allowed to activate, then often is the case that the darkness (hatred, anger, guilt, resentment, all the negative emotions stored in the subconscious) continue to breed

more darkness and more negativity.

Face your own darkness. It will be there for you to look at. Until you can—and you don't need a therapist to do this—the love of God cannot be truly lived on a daily basis. Take responsibility for your misdeeds. Really look at them and then permit the Spirit of God, or Holy Spirit, to release you from your negative prisons. It is important that you do this and that you continue on your spiritual journey of love and light.

Never, ever, blame another! For blame is the devil himself! (Devil is a collection of negative vibrations that appear as darkness often termed the Dweller on the Threshold.) Take your medicine and be done with it, for you are needed on the Christ platform of rhythmic Being. I AM you!

The power of forgiveness is mighty. It will wash over you and cleanse you of all that is not of Truth. See your mistakes, where you have harmed another, and then ask forgiveness of the Great Spirit, of those you have harmed in any way. Feel the cleansing presence of My Spirit over you, blessing you with My love. This is the groundwork for all spirituality. You must drink of the bitter cup to cross into My world of glorious Be-ing. Take your medicine and walk

## Remember To Do Your Part

with the light. You know no one is at fault but you. Therefore—no excuses now—right your way as a divine one of God. Remember that if you continue to justify and refuse to look at your own transgressions, the darkness within can only multiply.

You are needed on the plane of light where I AM (Christ Consciousness). There AM I. You can best help this Earth, those about you, by living the Truth in all its abundance, by coming clean with God and all creation. You are the maker of a new world. Vibrate that new world and lift all that you see and know to peace. For God is waiting for every son.

Lastly, remember who you are: Christ, the Sun of God emerging. You are the new beginning. Claim that place in you! Hold fast to that place. Even as you have forgiven others, please forgive yourself that I might be. We are waiting. All is love in My Kingdom.

## LIVING WITH DIMENSION AND CHANGE

(THE MASTER'S PAPERS Number 78 )

Let's center for a moment. Go to our Christ center where all is one and human understanding is increased to the divine, and we operate from one mind in consideration for the all. Wherever there is conflict -- below the conflict or in back of it or underneath it -- is change. It is always a signal of change. And when you release your resistance to change, the conflict ceases.

How we take change is one of the great lessons of the Order. Change will often occur as an effort to upset a sense of false security within an initiate or disciple. Change will often open the door to a new dimension and a new vibration of Living Truth. Change doesn't mean indecision. *Change is an attunement.*

So I ask you now, how do you react to change? Does it upset you? Are you clinging to old ways, old thought forms? Or are you readily adjusting to new light? Change is inevitable, and when we are building, such as we are, change is dynamic and vital. When thoughts and behavior patterns become too set, too ritualistic, you can count on change! That is the way of the path.

So, change relates to detachment, doesn't it? Change also flushes up fear and threatens the world of control and rigidity. The human ego needs assurances. There are no assurances for the initiate other than the Spirit Itself. I AM the only reality.

Change releases you to the creative process and to the world of instant manifestation. And change relates to not only our world of light, but our *body of light*. The Earth is changing her garb. You cannot be with her if you are holding on to a world that is no longer valid or helpful to you. Change is creation stirring to be. The minute change enters your life, rejoice! You are entering into a new dimension of realization and conscious awareness.

# The Government Is In My Hands

THE UNIVERSITY PAPERS  
Vol. 6, Number 10

You are rising into a higher frequency of Love and Light where God's World is your world and where the Light functions as the Priesthood of Melchizedek and the Creator Son. All is in readiness for this.

The movement of this New World energy field is progressing rapidly, pushing out of its way that which does not complement the new frequencies of Light Intelligence.

I have released the Creator Son into embodiment as the Solar Son's energy field and this will correct many of the mistaken ideas man has of Me.

You will be blessed by the presence of your Universe Creator Michael, as He stands with you in vibrant image as the Son of God in you. God's World encircles you. The Fire of new creation rises as a luminous cloud and the Earth takes her position as Queen of planets.

Open your consciousness, your mind and your heart, to the First Government of the Light. As the neighboring planets wait, Mother Earth receives Creator Michael and is enveloped in His Love.

## The Presence of Michael on Earth

Once your Universe Creator walked this planet in harmony with its existence and saw the anger in His people and the dangers that had befallen them. And in this time when He walked and served as Jesus the Christ, He saw the need—the necessity—to change His life into that which would become all life. When He saw the shadows upon the earth and that which had inflicted it, He knew "I must return." This He is doing at this time. He will be serving all life in His return and He will glorify His body.

The heavenly spheres have known that He would come again. And those who have

*Continued on page 6*

# The Government Is In My Hands

sought Him have received His promise that it would be so.

The "return" does not mean that the Creator will appear in a physical body. What it means is that His power and incorruptible Presence will fill this Earth and emancipate her. All will feel His Presence and many will fall down on their knees to worship. "The King has come!" Great Angels will carry His powerful and glorious emanation. The souls of light will know Him as He smiles upon earth. This moment is about to be experienced. "Christ Michael has come!" will be the shout from the heavens to earth. Light cities will appear and a fountain will flow from the heavens to the earth. Such is the time we are approaching.

The heavenly Presence of the Universe Creator, Michael, has been foretold for eons. Many religions have stories about it; the First Peoples (indigenous peoples) have long predicted this fulfilling moment in their own tongues and oral traditions.

## The Body of Christ, A Dimension Fulfilled

Now rise, My people, into a New Land. Let it be formed of My Life as the Solar Son and the Creator of all Life.

The blessed Suns of your solar system are prepared and ready to receive My Life Energy in the form of Sananda. As you feel the rays of your sun and partake of its healing energy and love, know that you now are receiving by Me the First Government of the Light.

As the Incoming Light fills all creation and vibrates the Solar Christ or SANANDA, all cities will be built of light and all My creation will turn to love.

As the Solar embrace continues, changes occur rapidly. Each day is marked by My Spirit. My intensity grows stronger and I fill all earth, as a lover fills his bride. I

come now to unify and to bless all creation with the Mother's Fire of Love and Light. I have waited. Now I come.

Let not one day go passed that you do not think of Me. In this way do you assist the Incoming Light and the Solar grounding of My Son-Sun.

The Body of Christ is the incoming Intelligence and Solar release of the Universe Creator, who was Jesus the Christ in embodiment 2000 years ago. Let the news of My coming spread. Let every window be clean. This time I stay.

## The Holy Spheres of Light and Love

My Intelligence reigns. I AM the Creator and I AM the Overseer of this planet's shift into light realms. The searing of the light is penetrating every nook and cranny of this planet as she is helped to regain her status in the Solar System and Galactic councils. BE AWARE OF THIS because it will influence many decisions that are made from this time henceforth.

Have regard for all life, as you will find that all is respected and recognized within the new government. You are accustomed to believing that you, as a human being, are justified in disregarding the environmental harmony and rights of all God's kingdoms. Now you will learn that God appears through all life and is hurt by your injustices and misunderstandings. We, as the Primary Council in charge of Life Intended, will not and can not tolerate the suffering that has been inflicted upon those who cannot defend themselves. Nature will not tolerate this, nor will the new Christ Government. That is official. You must change your ways to remain on

the planet.

Have the Heart of Christ. And so give birth to a new nation under God, for you have come to do this. LEAVE MY ANIMALS ALONE. They have services to render. Only those close to the earth understand what I AM saying at this time. Your soul knows. Listen to your soul and the compassion of the Heart.

## The Ring of Fire

Blessed are they who have served the Light. Now I come and with Me, the Mighty Angels of Rehabilitation and Rebirth.

A Ring of Fire has been placed around Earth that will protect her as she forms a new energy field, the Christ Body. The Solar Energy that will encase her is a ring-pass-not. This enables the Ancient of Days to be with her. He oversees this miraculous ascent of Earth and the rebuilding of her molecular structure that all may receive the Light as Creator Michael, your Universe Father.

All is in readiness for this great event to occur and be realized.

Peace on earth and true love to all.

# What Is Happening Now

(SOLAR NEWS Volume 5, Number 8)

Peace be with you.  
I AM Sananda speaking.  
You are entering a new  
formation of Creative Power,  
which will assist you in your  
assignment.

Be conscious of this.  
It is community conscious  
and will take direct instruction  
from your higher self.  
Sananda, Lord of Hosts

**B**ecause we are betwixt and between dimensions and the laws of the dimensions are conflicting, connections to new assignments or even your inner voice may be confusing. However this will clear and the orientation to the cities of light will begin. Your patience and your stalwart faith are necessary as the new cycle is brought into being. The emergence of the new cycle and the changing of the world energy field will demand your focus and integrity as you may encounter doubts and even fear. The one vibration you want to seek at this time is the Holy Spirit or Creative Daughter, Mother Spirit. Everything will be newly constructed from this Vibration of Light. You are embarking on a new journey and the Light that will guide you is the Mother's Light for all Her creation. You are now in a new Life Energy that will change your body as well as your spirit. The new Life Energy vibrates as the Mother and is creative in nature. She is the Creator's Daughter, springing from His hand and desiring only to please the Father and to carry out His orders in the new dispensation. Where all the land has been weeping, it will laugh with joy, and the golden era of Creator Michael,

Universe Father, will begin. Solen Aum Solen.

*All My lambs will be gathered  
to Me,  
and we will walk this planet  
together  
in one body. There will be  
forces of light  
released on this land and the  
rays  
of My Being will give this land  
Her life  
forevermore.*

## Intelligent Energy

The registered energy for this planet is *intelligent energy*. It is the Mother field of operation, and it will test each one of us as we graduate into the new sphere and holy realms of light.

The vibratory contact of the Mother with you will bring light to the whole planet and issue forth a new radiation that unites all life. This field of new Life Energy is intelligent. It carries a vibratory commitment to the One. It is conscious and carries with it the knowledge of the Creator's Plan for the Earth and for this solar system.

The powerful new energy field seeks to draw individuals, projects, whole nations and the environment together as a community realized. As an example, if you are looking for a new job, a change of location, or ways to increase your income, the manifestation method or technique you may have been practicing with success may no longer work for you. It is like a dead limb of a tree that must fall away because it does not complement the new energy flowing into the planet which is the Solar Son's energy of

Creative Power (the Mother's Life Circuit). The Law of the new light dimension is *community minded* and it will only act in behalf of the planet and the Christ (Solar) Body. The Kingdom of Heaven is at hand! Make a friend of the new presence of intelligent energy that is flowing into your planet. It is a magnetic energy field that carries with it the ascension.

There is an encasement of this new radiating energy field around Earth. The Law of the creative circuits that are acting as the Christ Body will no longer permit misuse of the creative power for selfish gain or, for that matter, the energy world of the fear-based ego, the world of mortal man. The Earth is building to receive the Christ Spirit, and the position and properties of this new energy support this.

All dreams and visions must return to the high self. From that point of individual surrender and stabilization, the vision will clarify and embody the great and powerful Creative Power. The vision then is of the unity of all life, enhancing community and the divine plan on Earth.

Be conscious of working with the intelligent energy, which will serve only the Creator's Plan. The Master counseled us to give up our life to find it. You will find your life within the Presence of God: I AM THAT I AM.

The intelligent energy or

*Continued on page 8*

## What Is Happening Now

Creative Power is *conscious*. It is the embodiment of God's presence on earth. When you become conscious of this and become aware of partnership with the energy, you will be as a Builder and one who carries this same Power to restore the cities of light.

We, the Devas of Form and the Spiritual Hierarchy, are waiting for you to consciously connect into the new Creative Power, which is intelligent energy on earth. When you have received this power into yourself as one with it, the Creative Power will work for you as one who embodies community, wholeness and the order of Melchizedek. You will be known and understood by this conscious, intelligent energy as the consciousness of community, world service and unity of all life. In other words, the Creative Power or Intelligent Energy will not receive you as a separate individual with your own personal desires and needs. This Energy can only act on the highest principle abiding in a group focus or community. *It is ascension energy and it is drawing all up unto Me, the Christ Body of Life.*

I believe you will thoroughly enjoy this new focus as the dimensional shift concretes itself within your own conscious awareness. Be aware now of the great potential ready to be raised up in you and take hold of it. Love will embrace you as you do this and you will find many friends in the circle of the New World.

### The Sananda Scripts (Vol. 3: 32)

I AM the Resurrection and the Light

And wheresoever I AM, you are with Me.

Open your heart to the fulfilling of your dreams. Be conscious of the Light and be serving It. For I have come again amongst you and I will draw all up unto Me. I AM the way, the truth and the life. We are One. From this moment, trust the Light in your heart. It will carry you forth as these changing times forbid the loss of one soul in My Name. Open and Be!

Christ Sananda

I AM the Word of Life within you.

## The Government

(THE UNIVERSITY PAPERS Vol. 7, Number 10)

*The former shall pass away and you shall  
drink of the Life Energy  
of My own Being. The Breath of My Body  
will be your Breath.*

*You will ascend to the place I have made for  
you.*

**I AM the Way, the Truth and the  
Life**

The Solar frequency of "I AM" is emerging as the Government. Those who are partaking of this Government are already prepared. Seal of Melchizedek.

They have been brought to Earth<sup>1</sup> to serve in this new vibrating energy field of the Universal Christ or the Solar Man. The frequency as a dimensional shift is in force and it will be completing itself as the Solar Union of man and God in the next few weeks.<sup>2</sup> We are blessed to have with us many who have served previously in the establishment of democracy in Greece, France, Great Britain, the United States, Costa Rica, the Iroquois Nation, to mention a few throughout history. Now, they join together to create a Solar Democracy of Christed Intent. This is the New World. You are living in momentous times!

<sup>1</sup> Al Gore's name was specifically mentioned as I wrote.

### Alignment with the Planet

Listen well to your inspired leaders and artists of today: men like Nelson Mandela, Robert Muller, the Dali Lama, Archbishop Tutu, Marianne Williamson, Rep. Dennis Kucinich, Robert Redford and Oprah Winfrey. (You know who they are in your countries, for they speak "out of the box" and are fearless and do not bend under pressure.) Pay attention to the women rising, as their voices will become clearer and more persuasive in the dominating Feminine Ray now officially ruling the planet. *She* will be heard!

*Continued on page 9*

## The Government Contd...

The shift from individual nations to a global democracy with Solar intent is registering throughout the earth. It may seem as though it is happening very fast—too fast, almost, for you to adjust. However, this Solar Plane and Universe Government has been birthing itself for eons. A glimmer of Light would appear and then be overcome by the avarice of man. Today, in this mighty hour, a great Fire of God's Government on Earth has begun to raise Itself. This Force of Light and all-consuming Love is racing across the lands and delivering up into the etheric divisions of Universe Government all those who will serve immediately or who are destined to serve in the near future. Without these ones, who have volunteered to join with Sananda in the New Government on Earth (Seal), little hope would be left for our humanity. So, We congratulate all of you who have patiently waited in the wings and who are now being lifted to ascension with the Sacrament of Life Service to our Lord.

Please be advised that you are protected and guided.

### World Harmony

As has been explained in previous Papers and lesson materials, there was never a moment when humanity as a whole has not been watched carefully. The Earth Mother is an experimental planet. Human beings have free will up to a point. Now, as has been revealed in the *Solar News*, number 6:1, the free will that human beings have been privileged to bear—often to the destruction of the Earth and her creation—is going to be contained within certain limits and absolute boundaries. We cannot permit the destruction of all that is good and beautiful to continue.

You will join with others like yourself in communities of Solar Vibration. And centered in these communities, as living cities of Light, you will be as the Government over the many nations. This, then, will begin the new state of Israel. For have I not said that the meaning of Israel is *My Land, My People*? There are no boundaries to My Israel. There is only Light. Israel is a regrouping of My people into Me. It stands for the many nations of many races, creeds and cultures. *All are My Israel in Me.* The Lord is One.

The Solar Democracy, which will be established over earth and sky, is the emanating Christ Energy indwelling all life intended. As a Solar Democracy

and citizens of the New World, you will awaken to your brothers and sisters within your solar system and beyond.

Thus you leave ownership and pride of possessions for the revelation of "I AM."

The Solar Democracy is a vibration of harmony. The democracy, itself, is a network of interplanetary relationships. In the Solar field of the New World Government, peace and joy reign. Harmony is the Law and it is the way, the truth and the life you live as Solar Man on planet Earth. This is why—one of the reasons—it is essential to become open and sensitive to the planetary needs, its disciplines and natural law. All human beings remaining on this planet will be attuned to Mother Earth. They will be one with her spirit and live with her in harmony and harmlessness. All the animals will be your brothers.

### Pay Attention!

Many of you who are reading this Paper are already attending Melchizedek Schools of Government on the Inner Planes. We are preparing you for the sudden vibration—a quickening that is due to occur within the next two weeks. We must have you in place and ready to realize your new direction by that time.

You are advised to meditate before going to sleep, so that your meditation takes you into the higher frequency realms of the Inner Planes, where you will meet with your Teachers. Pay attention to your dreams and the dream symbols that, decoded, give you information about your preparation and studies while asleep. Write your new knowledge and instruction in your notebook. Keep a careful watch on your thoughts during the day and the insights that come forth. Record those insights also. In your day and night studies with the University of Melchizedek, note the paragraphs and passages that have special meaning to you. They may have been read and reread many times, yet as you read the words now new meaning comes. You will be strengthened by all that is happening, both at night in the University Schools and during your day.

Be open. Be aware. Be in harmony with God's Plan.

We are ready. Are you?
