# LIVING WITH DIMENSION AND CHANGE

THE MASTER'S PAPERS Number 78

**August 18, 1996 - Sunday Morning at the World Mother Center**

Let's center for a moment. Go to our Christ center where all is one and human understanding is increased to the divine, and we operate from one mind in consideration for the all. Wherever there is conflict -- below the conflict or in back of it or underneath it -- is change. It is always a signal of change. And when you release your resistance to change, the conflict ceases.

How we take change is one of the great lessons of the Order. Change will often occur as an effort to upset a sense of false security within an initiate or disciple. Change will often open the door to a new dimension and a new vibration of Living Truth. Change doesn't mean indecision. *Change is an attunement.*

So I ask you now, how do you react to change? Does it upset you? Are you clinging to old ways, old thought forms? Or are you readily adjusting to new light? Change is inevitable, and when we are building, such as we are, change is dynamic and vital. When thoughts and behavior patterns become too set, too ritualistic, you can count on change! That is the way of the path.

So, change relates to detachment, doesn't it? Change also flushes up fear and threatens the world of control and rigidity. The human ego needs assurances. There are no assurances for the initiate other than the Spirit Itself. I AM the only reality.

Change releases you to the creative process and to the world of instant manifestation. And change relates to not only our world of light, but our *body of light*. The Earth is changing her garb. You cannot be with her if you are holding on to a world that is no longer valid or helpful to you. Change is creation stirring to be. The minute change enters your life, rejoice! You are entering into a new dimension of realization and conscious awareness.

## The Law Of Tithing And The Order Of Melchizedek

I was introduced to tithing through Unity Church. And through Dr. Joseph Murphy. I *understood that tithing was giving to myself*. It was for me.

In other words, it's a treaty with

yourself. If you feel to tithe to a church, an organization, your tithe should not be because you feel lack in yourself or in the organization! That will only reflect back to you as an experience of lack in your life. Tithe from your conscious realization of God's abundant nature overflowing in your life. *That feeling will bless you!*

Tithing was introduced through Melchizedek. *It is the first law of energy*. When Melchizedek accepted Abraham's tithe, *He was accepting Abraham as an initiate after the order of Melchizedek*. Abraham proved he was ready by giving a part of himself. The act of tithing was presented by Melchizedek who initiated Abraham into the Order of Divine Love, the God Spirit of himself. It was a drink of Light that had never been introduced before. It's a process of spiritualization that occurs. The more we give, the more we receive of the Spirit, the wholeness. The vacuum is always filled.

Divine Mind is always present. But it takes your awareness to receive It and release It as supply.

# The Revelation of God's Message to Earth

THE UNIVERSITY PAPERS Number 173

***The "Quickening" is now. It is not in the future. It has begun. How you respond to this Quickening is critical, as you are needed on the front lines now. We are ready.***

The Master Jesus carried the Christ Spirit to Earth. He embodied It. With every breath that he breathed he formulated the Father's Will and determination to realize Himself as the Creator on Earth. Jesus registered the Vibration of "I AM"; and he was misunderstood and certainly misinterpreted in his glorious assignment of God's Son.

*Jesus says now, I glorified my Father's Spirit in me. I spoke His words and surrendered my body to Him that He might live through me and cause resurrection on Earth. Total resurrection.*

If you would believe in the Consciousness of God in all life, you would be free indeed. For the life that you are living is not a life of freedom. It is controlled by illusion. You are in captivity and cannot rise into your true self without releasing the oppressed and dividing not. You have been under the law of a false creator. Your soul is aching to be free.

There is nothing but God, in Truth. I revealed this by My walk on earth. What you must do, as a people of the light, is to step into the body I, Jesus, created while on Earth and release the body of the world. The world is not of Me.

If you are to live in the Christ body or dimension, you must live the way of the Christ Spirit. This is the challenge of this moment.

**My Church is still standing. It has not fallen. Yet it is the emanation of My own Being that is the Church. Not brick or stone can build My church. I have done it already. Enter Me.**

**And in Me, you find peace and rest. And the freedom that you seek.**

**Illumination comes readily to the listening soul.**

## **The Third Message of My Kingdom**

I first brought My vision to you of Light and Energy. I lived with you as the perfection of the Self. All was in harmony with My creation and nothing was harmful. And each day was perfect at My own hand. I released My Consciousness into My creation and I saw that it was good.

I sent My Son amongst you for My second message. He was not separate from Me. We were one. He was to instruct you as My Word Incarnate, My living Voice. He came to clarify who I AM. Thus it was that I appeared as the Son in Consciousness and shone forth My Love upon you as the gate of Heaven opened. The words He spoke were My lasting words. I cleansed the earth for My third appearance and message which now *shall be heard*.

That which I call My Second Coming is in truth My third appearance on this Earth as Love. What matters most is that you accept Me as Love and greet Me with your heart open and ready to receive. I thirst for you, just as you must thirst for Me. We are One.

What you have looked for in your outer life is our union. Through My Son Jesus, My expression, I register God as Love upon this planet. All that is unlike Me must go. Only My Image and Likeness will remain, the Christ Body that is Love. You have now to accept Me in your heart and join with Me as one Person in Christ The Son.

Fear has been prevalent on this planet. Realize there is no fear in Me. I AM all there is in My Body. There is nothing but God. All else is illusion.

### *What I AM Not*

I AM not war, nor AM I killing. I AM not hatred, nor AM I punishment.

There is no hell in Me nor can there ever be a hell where I AM.

I AM not poverty nor AM I sickness.

I did not put My Son to the cross. I AM all Love.

I forgive My people instantly when they enter Me, as I AM only Love. I could not hold My Universe together - all My planets, suns and stars would fall - if I were not Love.

I have come to Love, to present Love as My Son's Life in you.

I come as creation and I come as Creator.

I AM the Second Coming.

I AM the way, the truth and the life, and no one comes to My Father except by Me.<sup>1</sup>

I AM Love.

<sup>1</sup> See John 14:6.

# The Revelation of God's Message to Earth

## All Is God

If you were to ask of Me, Who is speaking? Is it Jesus or the Father? I would say, We are the same. I AM realizing you, even as I speak. My Consciousness is determining how much I should give you of My Self, My Son's Life in you. As the decisions are made, greater is My capacity to shine through you and to reach My lingering ones who find the world more tantalizing than the Christ Truth.

And Jesus said, *If you had known me, you would have known my Father also; from henceforth you know him and you have seen him.*<sup>2</sup>

The Father and the Son are one, just as God and His-Her expression of Him-Herself is of one Being. I AM THAT I AM.

The moment you separate God from God's creation as Consciousness, the control center is disempowered. You walk alone in a world of illusion. Yet I AM so near, closer than breathing and nearer than hands and feet if you would but see Me and know Me.

## *It's Not About Money*

Only God can conceive of Himself as expression. There is nothing - no thing - but God. All else is illusion and has no life unless you give it life by your belief.

Lift your consciousness out of the money game and put it on God, the Presence of all that is. When you can let go of money and align to God as expression, all needs are met and all desires quenched by God's world.

*continued from page 3*

Forget about money entirely. I AM the way, the truth and the life. *Do not lay up for yourselves treasures buried in the ground, a place where rust and moth destroy and where thieves break through and steal.*

*But lay up for yourselves a treasure in heaven, where neither rust nor moth destroys and where thieves do not break through and steal.*

*For where your treasure is, there also is your heart.*<sup>3</sup>

## Jesus Says

Just as I have given to you, so you must give to others. I rest now in the words I have spoken. Those who are reclining, I ask you to stand up. I need you most as I surrender My golden Globe of Earth to the Father. I AM not alone. Many come with Me. I AM not separate from My Father, yet many come who are in Him and who are with Me as My hands and feet. Selah.

With your understanding complete, read now My words in the New Testament, gathered as *My Sermon on the Mount.*<sup>4</sup> And then, I ask you to live My words as they are of My Father and not of me.

In Me there is no Christian nor Jew, Muslim or Buddhist. Therein is My Word. Harvest it. Conflict is not of Me, nor is death. I tend your soul that you might find *New Life in Me.* I AM the Son, the Christ. The

Son meets the Father and we are One.

This holiday season, please copy and distribute this University Paper as you are guided by the Christ Spirit, the Spirit of Love and Light. For what I give you is truth universal, and it is a joy to realize with you God's Message of Love and Unity.

Peace be with you and the revelation of Truth.

## Thoughts on the Second Coming God is One.

What God so desires comes to pass.  
(Unless you hinder Me.)

A desire in the God presence is the movement into manifestation and form. That is what a Desire made known to consciousness is.

## The life circuit is the Presence.

Consciousness must behold the Presence. And never look back because in looking back, you lose the Presence. (I AM now.) That means you are letting go of Life itself.

Behold the Presence—the activity of God, the Life Circuit in action, in expression now. This radiates the fire of reality and truth.

## Open to the New World of Light.

Prepare your consciousness to receive the New Light.

Be open and realize you do not know, nor can you plan the next moment.

Each moment is alive and vibrating as your God Mind. In other words, release NOW the patterns of this world. Open to the New World of Light.

## I will prosper you in Me.

Anything you ask for is ALREADY in manifestation. Simply say, Thank you.

## Are You Ready?

The Consciousness of the Christ is emerging. Behold the Light within you as the Christ. Support and nourish the Incoming Light, *as it is you*. You are mortals no longer. Let go of the old conditioning and be free. Walk as the Incoming Christ so that all might be lifted.

Mother Earth is ascending and she will harbor the Christed Man. This planet is becoming a lighted planet and those who remain will be *light*, solar and divine.

# Having It All

*continued from page 7*

you are and would be. Let the divine spark, *you*, glow in the Body of God. God will define who you are as you take your place in the Solar Son. You will find your identity and purpose in Truth.

The records buried at Antioch become the Message of Jesus Sananda in His Second Coming. They are the words of the Father through the Master, and they are the Truth-written records of Melchizedek when He first walked this earth.

The words that were buried were the words of empowerment I give you now. The Christ Message always was and will always be "The Center of creation is I AM." The root of this wisdom rests in you for *I and the Father are one*. I and the Father-Mother God are of one accord. We are one.

You see, the organized church and the false authorities could not - would not - permit the Living Truth. For if God walked the earth *in* Man, who could be the authority? Who could tax the community? By nature, ego must rule in whatever form it can until the curtain rises revealing Truth. There has never been a God and... Only God, only Truth, and so it is.

This is the creative sacrament that will be sounded in many voices as the solar eclipse nears and the thread is broken that has tied man to a false program and a false world.

***Behold, I have come again.***

# Having It All

## THE UNIVERSITY PAPERS Number 163

***You have the Kingdom. It is yours. You have but to accept it.***

### **The Hidden Records, Buried at Antioch**

Systems, organizations, have buried My records, My voice, so that little is heard or known. I speak now. You are at Heaven's Gate.

At the center of your being is your Consciousness, the Seed of God, where I store everything you need to know and desire to understand. I AM with you. I have not been separated from you, as I AM the center-most part of your being - the living capstone and Creator Intelligence. You have put a stone in front of Me, so that you cannot hear Me or understand the Christ in you. Yet, I wait and now I speak so that all might hear and turn the other way.

In your God Center *within you* is the Christ Within, the Solar Son I AM. In this place of Consciousness, I have placed you as form complete. You are the priest or priestess of Melchizedek, the defined nature of God. And you are the Center of all life in this Seed awareness and consciousness.

Your treasure lies within. The God Presence, the Living Christ, the hidden Light Intelligence I AM, is within you. When you give it power and authority, it removes the obstacles without your taking thought. It is that simple. I qualify Me in you as I AM. (For those of you who have Minerva's (Book of Life) Code, you will have fun with this last Truth statement!)

Churches, priesthoods, organizations, and systems, invented by man, have stifled the living Truth. When that Truth emerges, it is the Second Coming and it will change this earth and all creation. This embodiment of the Second Coming is the *new energy field of Living Light* that is emerging. By edict, this is a Christ planet and subject to the Law and the Word of Melchizedek.

*My burden is light.*

False ministers who preach war, hatred, and reprisal are the false word. They are not of Me. I AM peace. I AM the way of compassion and divine love. I create out of Myself. This is the powerful Message I bring. I AM not subject to anger. There is no just war in Me.

The day of reprisal is over. The day of love begins. Where I AM there is only love. And I reach out to everyone and say, "Come."

The sound of My Voice removes all obstacles. I AM released Thought and I control the heavens. Though you cannot hear Me yet, YOU WILL HEAR ME as thunder in the skies, as the sound of trumpets calling you forth into Me. Reread the *New Covenant*. I AM there in those words.

The very center of you is God. It is Solen Aum Solen. Let go of the world now. I have come.

### ***Anchor the Light***

You are not My servant, nor AM I yours. We are one. *Ask anything in My Name and I will do it.* Never did

I tell you to worship me, Jesus. A false idol that would be. The living Light I AM must shine from you, the sacred Light of Christ.

Walk cautiously. Tell no one. From this day forth, know Me as your Self.

***Be not so concerned with protecting yourself that you harm another.***

The Holy Spirit divides not, nor does She sever those from me' who I have taught. I am with you, never to be parted or forgotten.

### ***Open and Receive***

In the Garden of Eden all is given. The Garden is a state of mind, a state of consciousness where all agrees with the "Father's" Will.

The placement of your energy in the higher chakras enables you to have and to acquire all that is necessary for your present assignment on earth. There is no one more qualified than you to make a difference! You make the material plane; you command it in the Christ light.

### ***Visualization***

Instead of being "in" the world, visualize your consciousness as over and around the world. In this way, you are not a prisoner or a victim of the world. You are the creator of it. Yes, you are the creator in Christ of your world, and all

*continued on page 7*

<sup>1</sup>Jesus

who are magnetized by your light may be a part of your world of Christ Light. See the miracles you can perform through this vision as you claim responsibility for your right to be, to vibrate the perfect world that is the Kingdom of God.

**Stay out of the world, and oversee it. The power of your consciousness is the creator. I AM! I and the Father are one. We are of one accord. I AM THAT I AM.**

## **Restorative Powers**

The Creative Circuit already knows your needs. However, you are not open unless you state the vibrational formula that will connect the Light Circuits of the All, entitling you to decree from the I AM position.

Let us begin:

**I AM That I AM.  
“That” is Divine Substance  
(Crown Chakra).  
It is the Creative Spirit (Holy Spirit) released  
to fulfill your (God’s) needs as  
objectified Substance  
entering into form.  
As you participate in the Voice of  
God (Truth),  
you are vibrating the solar  
frequency of the Son.  
And if you persevere in this,  
you will never be without.  
For Consciousness moves in  
your behalf  
and nothing is withheld.**

**SEAL OF MELCHIZEDEK**

## **The Living Truth**

Consciousness beholds Itself. Oneness is Consciousness and in Truth there is only one Consciousness. *I behold Myself in Me.* This is the Life Circuit of your God Being. It is this circumference of

# **Having It All**

*continued from page 6*

expression that defines the reality that you experience.

For instance, the degree and amount of Awareness you let express as the All creates your world. Thus, when a Person such as Jesus entered the earth and realized His GodSelf (*I and the Father are one*), the world changed. It altered its course, for now the ruling Consciousness had vibrated no less than the Kingdom of God and the sacred Son identity in the midst of lies and misunderstanding. In this same context, the more you “empty yourself” and make a place for Me (God within, Divine Consciousness), the more you will alter your own world and contribute to the Christ energy field of determined Light—heaven on earth—as defined by Jesus over 2,000 years ago.

Consciousness determines your world. Let Me in!

## **A Thought**

Often an individual walks across the bridge into “spiritual life” and remains a victim. Now the oppressor, the one to be feared and obeyed (much like a puppet on a string), is God. And now the seeker seeks to please God, do the right thing as to earn points as a favorite child. Where is the love-centered “Father” that Jesus introduced? The ego, fighting to be recognized and acknowledged, becomes the obedient servant of a God outside and on high.

Divine Being (God) knows no other but Itself. It casts Its reflection in the waters and rejoices in the I AM.

Watch that you have God *within*

you as your Be-ing, *your Consciousness.* And live in the Presence where you are fruitful and loved. The Kingdom is within. It is that state of Consciousness that Jesus introduced to us when He said, *I and the Father are one. You see me, you see the Father.*

The Life Energy is of the God Body. The Body we call God is at peace with Itself. All is harmony and divine love in the Body. When you return to It consciously, you are in heaven, a supreme and glorious heaven on earth.

You must decide. *Are you for Me or against Me?* Your decision will propel the forces of the Universe. These forces will aid you in your progression, dress you in fine linens, and do the work in your behalf. Once you decide to walk the path of Light and to realize the Consciousness of “I AM,” the forces of the Universe will not stop until you are at one with the GodSelf and Self-realized.

Say this and feel the truth of these words: **I am a divine spark in the Body of God.** See this truth and know it through your whole being. God feeds His-Her own Body. When you fully realize the words I have given you, you will never worry about your health, security, or survival. Can you see this?

Let the healing Presence of God flow through you—gently and lovingly—through your affairs, relationships, all that

# The Immortal Body

THE UNIVERSITY PAPERS Number 171

***The Higher Mind will rule the body and you will have the original body intended, that of the Christ realization or GodSelf.***

***This body is perfect without the mortal imprints of a false creation.***

Because you will not live in the physical realms now, your body will not be physical. You are the Creator in substance, a Son of God.

Train yourself to understand that you create your out-picturing of the body by your conscious awareness. You are not the body as you see it in the mortal realm. You created this body, yes, but it can be easily dismissed by your understanding and receptivity to the Truth circuits of the Universe, the Truth of the I AM presence.

What is important to realize is that nothing is permanent with the exception of Truth. What you have aligned with and believed to be true and real is only there because you have believed. This is one of the BIG steps—the quantum leap - humanity makes into the Fifth Dimension. Living in the Third Dimension, you have been bound by the thought forms and patterns of the dense material particles of third dimensional, mortal thinking and feeling. You have been taught to treat the problem rather than to let go of it, or release it. In the dense materiality of the Third Dimension often the only resolution to an aging or sick body is death. But in the Fifth Dimension, there is no death. The focus is on God expressing as Consciousness. The Creator and the creation are one.

**Let God express! Let your God Consciousness unfold and out-picture in divine rhythm of I AM.**

## You Are One

The training and preparation for the new reality, the Fifth Dimension, can be understood now as the “letting go” of all fixed appearances or attachments as you align with *the Body of Christ*.

The overshadowing of this dimensional frequency is with you. Practice now. Put into practice the letting go of the fixed identity, the appearance of rules and regulations and dominant energy brought about by belief of separation from God, the Central Source of all life.

In the new dimension, God is one. That is the Energy you find within yourself that is the Spirit-Fire within all life. This Power can no longer be separated and divided from you. God, the Holy Breath and Spiritual Fire of all life, is not only the alternative energy of the new world, it is the only energy!

Your body is your consciousness. It is not the body you see but the body you *feel*. It is your immortality. *Take your mind off the body and put it on God*. When you can do this, you are in charge. The control is passed to you.

If you can understand what I am saying here, you will experience an entirely new radiation of your being. You cannot be caught in sickness, or in death. You are your consciousness and your consciousness is vibrating the Christ body and the presence of I AM That I AM. This Consciousness will always embody as perfection.

If you have followed these lessons given to you by the Order of Melchizedek through this University office, you are already vibrating the Christ presence as your conscious identity. This identity will take on a

body, which will be cleansed of illusion. Drop the mortal shell! As you become Christ conscious - conscious of the oneness of God in you and through the Omniverse - your Christ Consciousness will out-picture a body of the I AM. This body is free of mortal energies. It is not held by false thought forms and disbelief in God's world. It is a body of light and it is free to express in union with the inner Christ. *It is the body of Christ*.

Your focus must be in your consciousness, the order of Melchizedek. The minute you are focused on your material appearance, captured by the illusion, you lose the consciousness of immortal life and the control of your body expression! Read this carefully and thoughtfully. Let the God Presence through the Holy Spirit testify to what I am saying here. This is important.

You are what you believe, and what you know as true. The I AM Presence within the Heart Chakra will vibrate and radiate the body of light, the body immortal, as you align with the Christ within *as your body*.

Do not permit yourself to be caught and trapped in the false world of separation from God. Stay in the God Center where illusion has no place. Be clear about this. Be radiant. I AM THAT I AM.

When you release mortality and you rest in the God Center of your Heart, you agree with Me. Then, I can embody as My perfection, the I AM THAT I AM, the Order of Melchizedek.

*continued on page 9*

# The Immortal Body

*continued from page 8*

## The Power of Letting Go

As you let go of all mortal thought and all visible attachments to people, places and things, you will be transported into a new dimension of Creative Power and joyous living. For you will not be separated from Me. We will be one in your consciousness. This current of vibrating I AM Presence will manifest and create *of Itself* the world of heaven on earth. Through you, I, God in you, wish to do this.

When you release the appearance and the thought forms of the mortal form, you are already in the solar consciousness. You have already agreed with the Fifth Dimension of unity and God in expression. You are not emptying without knowing and agreeing with the One, *who will fill you with Himself!* That is the Fifth Dimension. You move from one energy cycle to another and you are sure - as the Fire within you is sure - that I AM.

Let Consciousness re-create Itself through you as your Christ Self. This will take discipline on your part and alertness, for there are many traps and many calls to fail.

You have but to surrender to Me and I will be who you are as I AM. This is the positive identity of Christ in you as the Solar Son.

## Teamwork Is Needed

I cannot stress this too much. There is a need for people to band together as one body, or one state of awareness. The energy you create by mutual agreement and conscious realization of God's Truth raises the vibration many times beyond what you could achieve by yourself alone.

Intone the Vowels<sup>1</sup> as given by Minerva, Scribe of Melchizedek. These vowels are for your energy

transformation and consciousness of the Higher Self. The vowels were created for this time on earth. *You are the Self I AM!*

Gather with others as frequently as possible to meditate, hear My Voice and contemplate these lessons. Do not give way to illusion when you meet. Keep your eye single on Truth and stabilize together in the new world order of Christ Consciousness.

## The Immortal Body

Have My Power back that I gave you in the Beginning. Call upon your Thought Adjuster, the Father Spirit within you, to align you to My Word and the radiation of Oneness.

Your immortal body is your I AM presence. It is your presence of God in you as your vessel, vehicle and appearance. Take on the body immortal now. Live your immortality. Be free of the death cycle.

But you must want to do this. You are released from mortality as you desire and are *willing* to be released and set free.

Focus on the living Spirit of God, the God presence, as your energy, your strength, your health, your body. Practice this. Every time you want or are tempted to treat a problem or focus on your mortal appearance, let go and let God as *your Being* express.

Why do you suppose the Master Jesus said, "Destroy this temple (his material body appearance) and I will restore it in three days." Because the physical level was not his focus, Jesus knew that the presence of God was his body and would out-

picture as he *let* it. *You will always have a body.* This may be new to your understanding, yet it is so. Your body is a tissue of God; it is the idea of God in you. Consciousness will always prevail. In releasing your thought about your body appearance and aligning with *y o u r b o d y a s G o d* Consciousness—*your* God Consciousness—the vital force around you and within you will give you a form. Whether you are on earth in a busy city, in a temple atmosphere or resting in the etheric realms, you will have a body that responds to the necessary vibrations and laws of where you are standing.

Your Christ body is of etheric consciousness, vibrating as consciousness webs of creative power where illusion cannot penetrate. You can "come and go" when you understand this divine principle. You can ascend and descend, and you can materialize and dematerialize as you so desire and will in the light of I AM.

*Y o u r b o d y i s y o u r* consciousness. But in this new dimension of incoming light, there will be no physical body other than the Christ emerging.

You do not have to wait. Those who are adept at frequency change will be with you as you find your new wings in the immortality of your Soul. Be Sons of God now as Jesus was and is. Walk free of mortal thoughts. Ascend to the Fifth Dimension as an immortal and as My Beloved Son, expression of perfect Life.

Seal of Melchizedek

# UNIVERSITY ALIGNMENT: THE CONSCIOUSNESS THAT OPENS

## THE MASTER'S PAPERS Number 35

Sometimes students say that they do not understand the University Records or "Papers." Or that some of the "truth teaching" is understood while other segments remain mystifying to them.

When the student is used to analyzing study-work, using "the left brain", the University can be challenging indeed! This is because this University is designed to open the Records in you!

As the University of Melchizedek draws its force-field from the Creator as Energy, the student must be ready to surrender into that immediate force field of Creative Energy and divine love. This is mandatory for you to understand any work of the University program.

Each segment of the "teaching" as released by the Order of Melchizedek is released through consciousness of that one who is functioning as the doorway or threshold for this program release. This enables the "Truth" as given to arrange itself in such a way as to be complementary to the planet and all inhabitants. Each time a portion of the University records are released, this release affects not only the planet as a whole but all who abide on it as inhabitants.

The Truth Papers or records remain in the etheric (invisible storehouse) until the facilitator of these records can release them into units of energy that in turn can embody as ideas, revelation and/or units of energy to affect the planet.

Please know that as you read *The University Papers* (as planned

release for this time), or such lesson material as *The GodSelf*, you are assimilating - yes, you are being affected - by the vibration of these Records. Even if you do not understand what has been written, you will; because the energy *within* the words, paragraphs and pages will cause the brain cells to open.

You have but to know this and wait on revelation. There is a direct revelation with each unit of truth that is given as lesson material.

Thus you study-read *knowing* that the Spirit of light will open you to the meaning in the sentence or paragraph. You *can know by the light*.

I recommend now that you do not study with the "mortal mind" but with the activity of the Spirit. You may well *feel* what you are reading first - before you truly understand.

Because the units of programmed energy are part of a University code, the understanding will continue. You may refer to a particular lesson many times and each time the units of energy will open a degree further and a new revelation will come to you from the Creative Spirit.

The result of studying and contemplating in this way will give you a sense of empowerment, accomplishment and creativity. For you will know that you have participated in this process of learning, and recall the truth from ages past. What a way to learn! What a beautiful way to remember! Let go and let God!

### An Added Note...

*The University Papers* and lesson materials help you to open to the light of illumination and liberation.

Because of the strong, powerful energy within the University Records, the chakras or centers within your etheric body are affected, cleansed and very frequently opened to enable the passage of kundalini into the crown chakra, affording you with the Understanding, Knowledge and the Wisdom of Truth. *True understanding can only come through the opening of the chakras. As you learn to read in the manner I have described to you, you will be assisting the process of your awakening many times over.*

Blessings to you in the Name of The Most High and The Masters of the Light,

Crystal
