# Entrance of the Divine Mother

SOLAR NEWS Volume 5, Number 9

Man has been afraid of his/her own power. There have been many substitutions for this energy of Light and Love, such as the employer, husband, wife, sexual satisfaction without the embodiment of the Divine Feminine, money, fame, wars and aggression of all kinds. The power has been hidden and not revealed. It has been closeted as a safeguard; but with the entrance of a greater degree of God The Mother, this power will become a part of the human evolution, breaking all bonds to slavery and imprisonment.

When you build and create with Love, you create with power and authority. This power has been decreed by the Heavens above as the Christ. This Christ is carried and always

introduced in Its richness and fullness by the Divine Mother.

There are checks and balances in the carrying of power. We will go over some of those checks and balances now.

- The presence of God (Power) within must be in order. It must vibrate Love *unconditionally as the presence of the Mother Sanctuary.*
- There must be a conscious realization of both Mother and Father God as the energy field to be vibrated into life creation.
- All life must be recognized with reverence as a Circle. The Circle must be connected as your consciousness. To take an enemy (emit a false god or authority) is to blaspheme the Holy Spirit. Keep the Circle alive!
- It is the Christ within *as your consciousness* that will vibrate into creation as power. All circuits will be open then. Love decrees and is answered by Angels of God.
- The Master did not succeed in a portion of His mission when He recognized Judas as separate from His Christ Center. *There is no separation in Me.* Judas has no power unless released from the Christ Circle. Sananda returns to create a *new alignment* that will be as a divine Circle within those who remain on Earth and serve the Light. Your consciousness must not separate from God! And God Consciousness cannot see or reveal error. Divine Mind knows only Truth. Keep the Circle!

With the presence of the Mother

of God stabilized on earth and throughout the body of man, the resurrection can begin. The Light within becomes the Initiation of Power rightly used, and the God World emerges for the initiate and for the trusted chela, who has lived to prosper in the God Presence. The overseeing energy (Spirit) of the Divine Mother will mandate the actualization of the power grid. When the "time" is right, you will know you have the power to move heaven and earth and to create by the Word.

Those who have been tested are called now to wield the power of God and to realize that consciousness which decrees from the highest point of Father-Mother the universal will and song.

There is only one power and that is decreed by God's Word. The Voice of the Mother will cause Earth changes and humanity will rise in Consciousness Love as decreed in the Beginning.

The God Power is Unconditional Love. Mother-Father God is Love. Any voice you hear or instruction you receive from the pulpit or the bench cannot be obeyed lest it come from Divine Love and solar radiance. You will be supported as you take this walk, and you will be guarded

by angels. God's Word is guarded by the Great Angelic Field of Love and Light. Neither Christian nor Jew can say, I know my way is the right way.

With the entrance of God The Mother, there will be a revelation of power. **E x e r c i s e y o u r** consciousness as the Divine Mother. Feel Her with you as a living and active part of your life. The Solar Son (Sun-Daughter) knows both Mother and Father in harmony as the solar roots of the new creation. Live prosperously with Them as One.

God's children (expression) must rise now and implement the power of God's Love.

Peace be with you. And so it is. It is a whole new day.

**To keep the Circle as your consciousness, always acknowledge and greet the Christ, Seed of God, within everyone. Do not break the Seal. When you give power to the illusion, you have no power. You have disconnected from the Circle. Keep the Circle and the Power of God, or Witness, will miraculously flow through you as living Light.**

## The New City of Light and The Madonna Program

THE SPECIALS Volume 4, Number 16

January 24, 1998

The Solar Logos salutes you in His energy field of Creative Power. That magnificent energy field that you feel when lying in the sunshine of My own Being.

You have been caught in the material field rotating about, dizzy from its magnification and thought forms. This is the time to call upon the Madonna Ray of the original creation. You are there with Her and She adjusts Her frequency to the I AM principle of your life. All may dissolve under Her magnificence but do not fear, for from this nothingness, neutral zone, will come forth a whole new creation: the passing of one into another and the trinity of life restored.

Heed not the words of the material field but heed the words of the Master. Original creation will be restored and is restored. It's all in how you understand truth principles in the sacred order of Melchizedek. This vast University presented to you now carries with it a challenge of new creation and the perspective of unending service as life intended.

May the Sun shine through your heart into your soul. May your life be extended, expanded so that you are truly the sunlight of the solar level of conscious awareness. Be now that which was intended. Let the old life go into the Priesthood of Melchizedek and the presence of unified oneness. This is the order personified now, the greatness of the order, the center of it, the Plan.

Heed now the message of the Solar

Logos waiting, waiting as the moment in time is expanded to say to you I AM. And then from this point of awareness, be that which you are in the sacred intent of the soul, the rhythm of Christ consciousness.

The Madonna Ray expands you ever brightly. And all that I AM is now: there is no future nor is there a past. But only this second into the next into the one. And all that I AM is yours in Me as the circuits are extended for you to know this, to concrete this and anchor this idea, thought form. Truth now passes to the earth and delivers all into the unification of Melchizedek and the Sun of My hand.

Behold that which you are in truth and never leave this point of awareness. It is the degree you have passed now and much will be known by this and by that which is to come yet already is.

Peace be amongst you. And yearn not, I already AM in the center of your being, in the regions of your soul awareness. Let the Madonna Ray bless us and cover us and join with our hearts and minds in the sacred revelation of the Son of God on earth I AM after the order of Melchizedek. Peace be amongst you and the way be shown throughout your career on earth. And in the mind let there always be alertness and all will be well. Heed now these words I have given.

Now shall they who have covered their heads uncover their heads. May that be known.

# The Release of the Mother Flame

SOLAR NEWS SPECIAL Volume 7, Number 2

## The Book of Ra

(Note: Ann Carpenter, who was present at the Ceremony and who is a Melchizedek Seer, reported that I, Crystal, was holding a large book in my hands—*The Book of Ra*—as I broadcasted the Mother Flame and Her release through the World Mother Sanctuary Vortex of the Breath.)

This is a broadcast from the Glorieta, New Mexico station from the holy spheres of the Creative Power and the Divine Mother.

This is Crystal speaking in the Vibration of Christ *I AM That I AM*, bringing forth the Mother Flame this day under the auspices of the Christ and the Great White Brotherhood. I open the Vortex here to the Flame of the Mother that She may supply this area with Her blessed Voice and Her Creative Power that instantly - I say *instantly* - will manifest *as I speak*. For now we are in a corridor of the Creative Power, the Central Flame of the Solar Union of Man and God. And that which is ordained to be is now in fluid action. As the Mother speaks, *it is done*.

Now that the Flame has been released and the magnificent corridor of the Creative Power has become active—no longer dormant, waiting—but I say ACTIVE in the vibratory accord of the Solar Union of the Melchizedek Order and the Divine Mother Flame: this is the time of action. It is the time of Melchizedek order—I say, ORDER—and *we will walk as gods upon this earth!* And very gently we will walk and honor the Flame of the Divine Mother.

Every moment is sacred, not one moment can be lost. We are in a position here that will change the earth, but we must walk with care in this ministry. We must say the words that are given and offered—no other. We must see that only the ones who are prepared can enter this Vortex or much harm can be done if we misuse this energy.

Be at peace, My people. Take this work seriously. You are not divided. You are one. Send light all over the Earth and become as I AM: the Voice in the rhythm of God.

THIS IS A VORTEX THAT HAS BEEN OPENED TO THE MOTHER FLAME AS SHE IS BURSTING FORTH TO BE USED, TO BE FORMED OF THE GLORIOUS WILL OF OUR CREATOR SON CHRIST MICHAEL AND ALL THOSE WHO APPEAR WITH HIM IN THE INTELLIGENCE OF I AM.

This now brings out a new era or dimension of Service. Walk with care upon this earth. Lust no more. Receive the glorious benediction of the Holy Mother and become a Light yourself. This will please Her and the Father in the Son.

With this Voice of Truth you *will* remake this earth and you will speak in Christ Light and the Fountain will run; and we will see great creations appear and the Solar Son.

This Announcement has gone forth to *all* the Units of the Holy Spheres of the New Creation. Speak only the Word. In this Word the *full supply* of the Divine Mother will cause manifestation and Truth to appear in the Name of Jesus, Our Lord, The Christ.

## Ancient Egypt and the Rising of the Mother Flame

The Temple of the Divine Mother

You must embody this Flame to become the actualization of Creative Power. No one enters this Power without subduing the ego. When you are asked to step in and fulfill your destiny as a creator and out picturing of the Goddess Flame on earth, your base chakras cannot carry any desire of the past, sensual pleasures or lower "man." You must be cleared of all this and you must not eat of the flesh of any animal brother-sister or any of the sea creatures. You must be free of anxiety and live for the unity of all life in the One. Then the Mother Flame will accept you into Herself and release to you the Creative Power or DAUGHTER as the manifestation power, the Word made flesh.

Do not attempt this Initiation or force it in any way. When it is time for you to step into this Christ Force Field of sheer Power, you will be able to do so and to translate Power into Christ Love for all nations and all peoples. Harmless must be your quest and in this way, you can enter Her and fulfill your destiny as a god.

## The Sacred City

And the words come to me: These are troubled times but we have places for you to go. We have brought cities to earth for you with loving vibrations. But you must be Christ-like in your nature. Your intent must be of the purest. And the sound of your voice must be sweet and gentle upon all life. And there must be no disturbance whatsoever in the lands of the new community. You will work harder than you've ever worked to maintain this energy field of light and love for all humanity and many shall benefit. But it's not to be easy. You cannot heed your lower self at all. It is to be stricken from your thoughts. You are examples of true life and that you must be.

(I, Crystal, have been shown that humanity, itself, would not be the same in development. The Earths people would not carry the rebellion and the resistance that has been part of earth's history. In other words what I saw were like growing energy fields, growing children sweet in their growth. And animals too. So that there would be a responsibility for those who had further knowledge of the light to bestow that light on others.

That's the way we live on other planets and that's the way you will live now.)

## Group Transformation

The "Dark Moment of the Soul" isn't when we lose material things. The Dark Moment is when we cannot find our self. The Dark Moment is the gestation period. And out of that emerges that Christ-like being that

you truly are, rinsed and made over for a new creation.

This Dark Moment is the transformation from self to Self. You lose your life to find it. It is not a matter of losing things but of losing "self" or identity. You know not who you are until the sacred Christ identity vibrates as your truth of being. Here we have the transformation of one, now we are ready to see the transformation of many into the Christ or Soul dimension.

The major jump now is a leap from a sense of humanhood or personal sense into soul consciousness. And it's not just one person that will be doing this! We are shifting a whole group, a compatible energy field, into a whole new rhythm and a whole new dimension of identity awareness.

So there is a *dark night* in that transformation because we as identities move into *group awareness* and *primary group responsibility*.

Frequently, the individual on the spiritual journey may still be concerned with the personal self (or ego). How am I going to make it? How am I going to live? Am spiritual enough? Have I passed initiation? It won't matter at the level of the soul, the solar level of divine love. At this level of awareness you are reunited with those of like soul vibration. All personal concerns are dissolved in the awareness of unity within the group or service to the Plan of God.

In group consciousness you create a soul body that serves the Ashram of the Master and the power exuded from that body is many times more effective than that which can be done as a single unit or person.

## A New Awareness

In soul consciousness you are integrated and a part of the Hierarchy. The cares of the material world are diminished. You are absolutely one with Hierarchy.

We are looking at a shift into soul consciousness. Humanity - all over the earth - is preparing *as a body*. We are being alerted. Perhaps a deeper meaning will come to us of the landing of the Hierarchy and the dedication to the reappearance of the Christ. *The Christ being that soul consciousness, that soul level of the group experience, which is coming to earth.*

(Often the name "Hierarchy" is confused with phenomena. The Hierarchy of Great Ones, of World Servers, are those who have reached God Consciousness and have chosen to come back to us to assist us in our rising awareness of the Truth of Being. Hierarchy, then, must be God's government in the many dimensions of Being who serve as light, life, law and love. - Crystal)

# The Crystal Temple

SOLAR NEWS Volume 6, Number 30

The Mother's Temple has been opened at Bali and the Voice of Her Breath can be heard throughout the atmosphere. As the sound breaks the discordance and we hear the richness of Her Voice, new worlds appear. Rising now and balancing Her Voice to be heard is the continent of Lemuria. And the teachers rise from this continent and join with you to welcome the new world, the brilliant World of Light.

As the door is opened to the Lemurian Temple (the Original Temple of Creation) that faces east, we hear the word of our Savior, the Lord whom we know as Sananda, speaking and blessing this Work. Yes the Temple of Lemuria has been opened—the gate has been opened to hear My Voice and to welcome the Holy Sphere as Mother Light into this dimension. The door has been opened to the Temple of Lemuria and the Final Days are here. Passing now to the Mother's Temple in Bali, these energies of Lemuria trace back through eons to restore the records of the Ancient Ones and the great power of the Mother God. Hear Her Voice.

The light now will go forth to Bali and through the Pacific Islands to send a message of the presence of the Mother. Let this glorious Age begin. New Zealand is embracing this message with open arms. How receptive this little country is! And how great she is in her receptivity and her love of the Mother. Through Bali you will hear the

bells toll. And receive the blessing of her Mother's Voice entering this system through the corridor we know as Bali.

A Crystal Temple has been erected in the etheric. It is beautiful to behold and it is there that the Mother waits to be heard, Her Voice to be Sound, as She overshadows the island of Bali and gives birth to twin souls. An ancient Love is restored and the power of the Mother is heard. And it is time. Therefore focus on the Crystal Temple in the etheric over the island of Bali and feel and see the Records of Melchizedek—the ancient teachings being transferred from the Temple of Lemuria to the Crystal Temple overshadowing Bali. The Mother blesses the United Nations Climate Change Conference and all those concerned ones who are serving the planet Earth in her time of need have been blessed also. For the Mother cares for Her planet and She embraces Earth. Her embrace is so close to Her heart that She enters Earth and they are one.

Let this message go out to the ends of this Earth. This is the resurrection and the third day has been given.

## The Mother's Breath: an exercise

(from THE MOTHERS FLAME)  
(a publication of the University of Melchizedek)

Acknowledge and accept the Christ identity based within your heart. Release those old thoughts and go there. (Without that releasing, you cannot find Me, nor I you.) You were made in the image and likeness of God. Go to that place. Here I am. Your son. Then breathe with the Mother Spirit. Accept Her life in you.<sup>1</sup> And the Mother Spirit is a generous provider. The Mother Spirit is supply. When you hunger, I will feed you. And the proof of the pudding, I am told, will come.

See yourself in the Christ center. Be clothed with that Spirit. Let it be your energy. Let it be your clothing of light. Take up your citizenship in the new day.

The Mother Spirit, that divine and Holy Breath, must obey the Child of God.<sup>2</sup> She is the nourisher and completes Herself through this action. She will fulfill that body or consciousness with everything it needs or desires. She is the Provider of that Child's life. She cannot refuse. This is Universe Law. The Mother is intelligent Energy. She knows and discerns the true Child.

If there is imbalance, She will bring balance, restore harmony. She is the only provider of the Child. It gives Me great pleasure to give you the Kingdom. That is your birthright. And that is the major step for humanity. Sananda needs you there.

(<sup>1</sup>This will turn the tables of the money-changers.)  
(<sup>2</sup>The infinite Child of the Universe.)

# Restoration of Creation and the Descent of the Mother

SOLAR NEWS SPECIAL Volume 5, Number 25

May 14, 2006

**I** have the great pleasure to announce that the Creative Daughter, Universe Mother, is now *alive* in Her creation and She will move the hearts of mankind to another way. (You may have been aware of Her before, but now She is in Her place as *Creative Force* and has dramatically taken charge. All will be changed because of this.) I speak of the AWAKENING of the Mother on planet Earth.

The Order of Mary, which has been preserved for this time, has just been released as a *creative circuit* through which the Mother of all creation will vibrate as the love of God and the power behind and within all creation. She is the governing force and the LAW. Many who worship the Mother, as God's Life within creation, will know and understand what is happening.

With this announcement the wave to Solar Woman begins. The force of this entrance not only looses the dirt of the false creation, but declares the *Solar Intent* as the Universe Law by which the Force of Mary through Her Office now *intervenes* as the Creative Power.

The Divine Complement of your Universe Creator, who is known as Creator or Christ Michael, will be introduced as the GOVERNING FORCE of the planetary shift and Solar Degree. This command has come through the Ancient of

Days. The Creator of this Universe has petitioned through the Ancient Days that the Mother Life be released as the *ruling force field* for planet Earth. There is great excitement and quick response from the Angelic Kingdom, as well as Ashrams of the Ascended Masters.

*No longer will wars be fought in the name of power, greed and nationalism. All of that is finished and done!*

Rise up and greet the Holy Mother as She takes charge and washes clean the hearts of humanity. *I decree this day (in the United States it is Mother's Day) that the presence of God The Mother has arrived in solar union with the Father-Son.* Open now to receive this Blessed and most Holy Mother and begin your shift in consciousness to that divine spark of greatness.

The Order of Mary is the extension of the Divine Mother into the hearts of those who have received Her. Those who will receive will be prepared to enter the darkness and to emerge as an altered creation vibrating the Solar Light of the Mother Queen.

What a Day this is! And what an honor it is to announce that the Mother flows through Her creation and is in charge of all that is. May the Blessed Mother come to you as your altered consciousness and may you feel the energy of Her presence as God the Supreme.

This announcement has been given by the World Mother Office. It is finished, it is done.

## The Rise of Mother Earth

*Continued from Page 9*

*The lessons forthcoming from the University of Melchizedek will continue to give you instructions as you proceed through the doorway into the light fields of the Fifth Dimension. The Solar (Son) Energy is with you and new vibrations come to assist you in your graduation into Light Intelligence. —Sananda*

### A Message from Jesus (Sananda)

*I rose from the cross and projected a higher intensity body,  
a body of light to show My mastery over death.  
This you must do also.  
Rise from your cross (whatever it might be) into the solar radiance of the GodSelf where I AM.  
There, dwell with Me.  
Project (outpicture) your body appearance as a casing subject to your will.  
Then walk upon the earth as love incarnate, enjoined with Me and included in the light of All-Consciousness God.*

# The Cross of the Mother

SOLAR NEWS Volume 4, Number 46

*The Mother's Cross has been lifted.*

**(Announced on the morning of the planetary alignment.)  
March 26, 2004**

*Be ones who receive My  
Baptism of Light.*

The World Mother, Mary, Mother of Jesus, carries the force field of Light for everyone. Once the Cross is lifted, the Light in the name of the Christ Presence is released to all humanity without preference or partiality.

This, then, begins the Second Coming, as the Child of the Light emerges through human hearts and rises as the Christ. (The release of self will facilitate this program.) Mother Mary officiates over this entrance of the Second Coming. *She is the creative circuit through which it must come.*

As tidal waves rush to earth to heal the sanctuaries of hidden years, the mass translation begins its initiatory process and guides children of the light into God's world.

The Living Light becomes you and

you become the Living Light.

The Christ belongs to everyone. There is no religion in the Beloved Christ Light. All may come home to the Father-Mother through this Light.

Because the Mother's Cross has been lifted, the Light is now available to everyone and it comes as a Bestowal to earth. A new dispensation has begun.

Have the Mother in your heart and mind. Let Her birth your divine Being, the Christ in you. And as this occurs, the earthen clay of yesteryears and former lives fall away. You see yourself as you are—part of God's Body<sup>1</sup> on earth. This is the Coming of the Lord, the

<sup>1</sup> Consciousness, Omnipresence.

Word.

As the Great Light enters planet Earth and reaches out to all in its wake, the Earth trembles to become light and joy fills the air.

Hold not to old ways. The Mother has come to be with you as the Creator Son joins with Her and recognizes His face in all men.

God is coming to earth through you. Be still and know that I AM God, the Christ on earth, the Son emerged in Truth.

You are recorded to be in the *Time of the Mother*. This cycle will not end until all is finished and done.

From the Office of the World Mother Headquarters, as given to Crystal to be released as a New Day. Let the Christ Emergence begin!  
Seal of Melchizedek.

# The Rise of Mother Earth

A MESSAGE FROM THE ANGELIC KINGDOM  
SOLAR NEWS Volume 4, Number 55

She is in the midst of rising right now and those who are conscious of her rising and transformation hear her cries from her heart center.

The world is not ready for her to rise. We know that. However, we have held back too long and it is time. Just as a mother giving birth, Mother Earth must bear her child that is the new creative dimension.

Those of you who have animal friends, who abide in your household or in your farmyard, pay attention to them. They are going through a stressful time and they will need your assurance and loving care. Just as you are learning the ways of the planet and her shift to higher consciousness, so your animal friends need to know what is happening. In this way, they can help.

You will not be killing animals soon for meat. And you will no longer even consider this as you will find it distasteful. Knowing this, all animal life will cease to be predatory. This message alone, as it passes into the grid information systems of our Earth Mother, will create a peaceful vibration with the animal kingdom. Human beings will be able to walk with the animals soon without fear, as did the great Albert Schweitzer. Recall that the Greek philosopher, mathematician, and mystical teacher Pythagoras said, "For as long as man massacres animals, they will kill each other. Indeed, he who sows the seed of murder and pain cannot reap joy and love." (Pythagoras was an incarnation of the Master Kuthumi.) A note of interest that may quiet

minds a bit. The well-known exotic animal trainer, Ralph Helfer, experimented on one of his favorite lions. He fed his lion only vegetarian food for a certain period. The lion was happy and content and suffered no ill reactions.<sup>1</sup>

Animals are closest to Mother Earth. They lay upon her, their paws feel her words as vibrations and their instincts tell them when she will rumble, storm or fill the land with water or fire. They are feeling her now and they are troubled. They want to help, but they do not know how. They need your understanding of what is occurring, and you can give that to them through personal contact and communication and/or through the angelic kingdom. Let them know that all is well – that the earth is changing and that you are changing. Many animals and "people of the sea" do not know this and are worried and anxious. Keep your thoughts high and your vibrations clear, so that they can feel your assurance. This is cosmic change on a grand scale and they know it!

Here is a message just received by my angelic friend and partner, a golden retriever/husky mix named Copper: "Those animals who are not ready to transcend will pass away from this earth. The others who are ready will

<sup>1</sup> I will see if I can obtain more information about this if you are interested. Ralph has trained many animals for films, was the owner of Africa USA and has written a number of books, including *Modoc*. He has two more due out soon.)

continue their work here and become angelic beings serving Earth Mother."<sup>2</sup>

## *Plants and Devas*

Plants, trees, and all living things need your help. They want to know what is going on. Those of you who have learned how to broadcast into the ethers word messages of comfort and Christ Truth should be doing this now. Listen to your Inner Voice and let messages go out into the many realms of Be-ing to assure all life that humanity is changing and all life will be happy and complete.

Expect beautiful radiations coming from trees and plant life. Acknowledge with a grateful heart your connection and partnership with the devas, nature forces and the angels. They all are waiting and want to help and they need you to be with them, as Mother Earth drops her dense body and becomes the lighter body of a solar energy planet.

Walk slowly. Breathe slowly the Breath of the Mother. Know She is with you and is building a new body for all life forms. You will leave much behind as you ascend.

<sup>2</sup> If you would like to hear more of Copper's wisdom, he has written a book called *Listen to the Land*. Go to <http://www.melchizedeklearning.com/bllisten.html>.
