# Keep The Authority and Use It

The University Papers Volume 70, #126

## Be The Authority

Be the authority yourself. Do not wait for the authority. You must command and that intent will be answered. AND THAT IS I AM.

Your focused energy vibrates the will and the full intent. Energy that is focused *will be answered*. When you liberate the will and create through it, you are then *deliberately* conscious and can order segments of universe energy. You are a participating universe citizen in the Light vibration.

Pry yourself loose from the material world of grasping and greed. You have a place in Me! Be in harmony with the cosmos now and serve the Light as vibrating force of universal love. Be That which I AM.

Intensely know that as you raise up the will into dedicated service and universal light, that which is necessary will appear as divine appearance. Now I AM formed of you.

## Take Dominion

Who are you? And where are you? Complaining will get you nowhere. There are no complaints in Me. I AM your stabilizer, I AM your person. I AM the one who gives you life. Seek Me and I will then perform as magically as you wish.

Come to the place of divine intent where I AM. Do not push Me out of your life but bring Me consciously into your life to Be and realize Myself! So, you have had a bad time in church. What does that matter? What does that give to you? How can you hold on to false claims when I AM? I AM the nature of creation. I AM the nature of divine love. Be That which I AM. Why bother with that which is not? Why clutter your mind with foolishness? Why devour false claims when I AM your living, breathing reality of life and love? Now straighten your back and come home. Identify with the true self who you are.

Many of you are caught in the traps of humanhood. This is false identification. You continue to whine and shout against what is not when I stand with you already as peace of mind. Why clutter your mind with foolishness? Why bask in denial of all that is rich and pure and holy?

When you live in Me, I AM.

Now remove yourself from the false. Give up that which you have clung to for so long and return to the God Center within your own heart where the Truth abides. I have formed you in light.

Assume the divine authority you have been given by *My Presence in you*. What a gift you have! Is it not enough? Stop your foolish ways and return to the base of the heart where I AM. Be there in the moment and release all that has cluttered your mind. Hear not those voices for I AM come unto you as new circuitry of creative power. Take My sacred word "I AM" and use it properly for the good of planet Earth and her establishment in the stars.

Take dominion in the Presence of God. In the moment be there with the Light of God intent. Be ascended. *ACT* like an initiate and be clothed by My Spirit which is power, love and eternal wisdom. Now sanctify My Spirit in you by *BEING*.

Hold My light for all peoples, each and everyone. There is no separation in Me. I AM all there is. There is no other.

## Restore My Children To Light

Stay in the authority of God. Stay in the Light. This is the power and this is the Presence. We are one: one unified energy. Be there with Me and I will *act* with you as the authority over earth and sky.

Keep your mind on the Christ within, the ever present Godhood you are in truth. Stay focused and bring your will into My will/intent that I might energize you to Be. *Keep the*

*mind centered. I will fertilize you with My intent. If you are focused in the rising of My will and the Presence of My Be-ing in you, each step will be of Me. You will know and you will be. You will become the light of God and so be the light to all men.*

Yet, if you fall, you will take many with you. I AM with you only as you are with Me. I AM with you only as I AM. It is your responsibility to be the light. Keep your power and keep your love and do not falter in My Son. You are the creative circuit of My Being. Stay with the light!

Never allow the world to put you in the position of a victim under any circumstance. Stay in your place of Christ consciousness where I AM. The world has no power over you in Me.

Stripped of the world you are the light. The world as I speak it here is the appearance, that which is devoid of energy unless you give it energy. You have but to believe to release energy into the object and form of your belief. If you believe In Me I will be the Law and the pure authority of your being. I will connect you to Myself in all ways and loose you from the world of appearance. I will give you freedom, the freedom that is in the relaxed state of Be-ing.

To be free is to be *present*. It is not to be imprisoned by appearances. Quite the opposite! To be free is to be mindful of God as the Presence and the only Presence. Then you can objectify forms of appearance yet not be imprisoned by them. Yes, look at the picture, enjoy the picture (your earthly forms) but remember it is only a picture! Do not enter the picture to be lost in the picture. Detachment is not denial, nor is it coldness and lack of joy. Detachment is the Presence

*continued from page 2*

of God who can enjoy Him/Herself as that which is form. Yet always the Presence remains the Presence. It is not lost in Itself; *It is Itself*.

You are in a high temperature. The vibration of this planet is increasing and is demanding more of you as *Creator Intelligence*. The Voice within is that Intelligence and as you accept this and allow the fusion to take place, you will think in one Mind and live in one Presence which is the God center of your being. Behold, I AM THAT I AM! Be liberated from cause and effect. Be named in full.

## **Take Your Place In Me**

Be victimized no longer. Can you not see how easily human beings fall into a pattern of victimization? Yet each and every one has the power to shape his or her world! Who is the law? Is it the world or the Creative Energy within you? Have you been cowering when you could have been soaring in the full authority of God's word? *My word is complete in itself. It is restorative.*

**If you but saw the world with My eyes you would see naught but heaven on earth. In the Melchizedek vibration there is but One, one unified Spirit.**

Heed the marketplace no longer. Return home. Home is the creative circuit from which all things emerge. Home is the creative circuit from which all things appear and disappear. Home is you as you take your place in Me as "I AM."

You cannot manage energy if you are the victim. The victim is helpless, *without power*. Take your power back! Live not in the lower chakras of blame and self-misery. If you are there, you are no good to Me. I know you not!

Be victimized no longer by the mesmerism of the world. Who is the law? The God center (I AM) is the only law in truth. *It is the perfect order of Melchizedek*. Give back to Me all that I AM. I AM the power, I AM the glory, I AM the truth. I AM the song within the psalm, the creator within the creation. How can you die when I AM life? Jesus didn't die, he shifted dimension. Can you not do the same?

Therefore, lead, not follow. Bear witness to Me. Sing of My song and realize that I AM your intelligence and your authority. *I act* within you as the commander of the universe, the creator of all that is. Hear now My words unto you.

**As I established creation and the Word as God, it was My intent that you take up the Word as yourself. I would have you do this. Crumble the false authority by your breath and do not enter into worlds not of My making! I want you to rise to Me and be the Word.**

**Establish My Word as your consciousness.**

In the creation of My energy

field I released atoms of My own Self. They are with you today. Surrounding you are particles of My Being and they wait for the sound of your intent. When you speak, think and feel as the GodSelf, these particles of Be-ing immediately will form that which *by your authority* is decreed. All the atoms of My Be-ing want to hear the master's voice. The place of mastership is within you as the Christ identification. Man, pick up your bed and walk!

Remain in the place of authority at all times. Keep your mind on God, the truth center within your own heart.

Be alert as to how you respond to every opportunity! Is the world your master or have you taken the covenant with Me? Are you raised in thought and mind? Do you have one boss or many? In whom do you believe? The man that has many masters rots in form and decays in mind and heart.

*Grow now in the Spirit. Bow to no one save the Light in you. Be the authority of your own person. Leave your nets and come follow Me. I have a Kingdom to show you not of this world. Lovingly I tend My sheep and guide them home!*

## Kingdom Law

If you choose the Kingdom of God as your dwelling place then loose yourself from the worldly law.

In the Kingdom of God, the laws are obeyed. They must be obeyed to remain in the Kingdom. Jesus taught you the laws of the Kingdom. He gave you the new testament. He reminded you that you must love God with all your heart and mind and soul. And, he said, you must love your neighbor as yourself. He continued

*continued from page 3*

to tell you that even as he loved you, so you must love others in the same way. Is that not a great law of God's Kingdom?

There are other laws clearly stated in the New Testament scripture. Read them and learn from them. Reread the Sermon On The Mount understanding it now as the Laws of the Kingdom.

Grant forgiveness to all people. Love unconditionally and without favor. **EVEN AS I HAVE LOVED YOU, LOVE THEM.** Seek the Father in all ways. Never possess. You have no belongings save the light. Live in truth and in obedience to the Word.

If you would remain in the Kingdom then exercise the laws of the Kingdom. No one can remain in the Kingdom unless they practice the laws of My Way. Jesus tells us that we cannot have one foot in the Kingdom and the other foot in the world. It is not possible. He says, *Either you are for Me or you are against Me.* Watch that you walk in truth and in light. Without hesitation Be.

For...the one who attempts to straddle the two worlds will lose one. You are to loose the appearance to be with Me. Can you do this? Can you live in faith and truth? The sons of God are witness to faith and truth. I would have you be one of them.

## Answering A Question

I, Crystal, have often been asked concerning vegetarianism: What about the plants? Don't they suffer too when they are picked to

be eaten? There is a very good understanding given in a small pamphlet I wrote many years ago. The following is from The Body Change, page 11:

## Some Questions and Answers Concerning Food and Vibration

I recently was instructed by my inner Voice to stop eating fish. (I have not eaten meat for many years.) The Voice said, "Do not eat fish. It is a living thing. It is not right to eat fish." I countered with, "Well, isn't plant life 'a living thing'?" The answer came back, "Plants give themselves to you, animals do not. Therefore, you may eat fruits and vegetables. **I AM That I AM.** It is a state of giving action. But life that does not give itself to you, is not for you to have." I recalled the Bible passage (Genesis 1:29,30). "And God said, Behold, I have given you every herb bearing seed, which is upon the face of all the earth, and every tree, in the which is the fruit of a tree yielding seed; to you it shall be for meat. And to every beast of the earth, and to every fowl of the air, and to everything that creepeth upon the earth, wherein there is life, I have given every green herb for meat: and it was so." I asked the Lord, "When did man begin to eat meat?" The answer returned, "When consciousness began to destroy."

# The Remaking of a Planet

The University Papers Volume 70, #140

Yesterday morning, June 26, 1999, while in meditation, I realized a shimmering planet very close to the Earth, or so it seemed to my viewing eyes. Next, came the understanding that I would live on that planet, that this planet I was viewing was to be the home of the new humanity.

Following that, I became aware that the planet I will call the Bright World planet, **or planetary system**, is presently overshadowing Earth. In the most recent and final issue of *The New Seed* (August 1999), I even wrote the words that I refer to the Bright World planetary system as a complementary energy for Earth. This complementary energy sphere assists in reseeding our planet Earth into the light. We are all part of this reseeding as we are aware of God's plan for us and His-Her presence of divine love. "Be about the Father's business" now has a deeper meaning, doesn't it? It calls us to the pure love and joy of God's world or the perfect world of The Son.

The more you can learn about the world of light and the approaching vibrating system of God's love, the greater will be your capacity to intelligently participate within the order of Melchizedek in the stabilizing of this planet into a creative energy of oneness.

All the Records presented through my hand and distributed through the University will testify and fortify the Truth of the entrance of a whole new world of triumphant living. Review these Records as often as possible. LIVE THEM. You are so needed on the field as an example.

## The City Foursquare

The Bright World is the City Foursquare as referred to in the Bible. It is the place of reality. The Creative Power emerges from the City Foursquare and is released into its expression. It is the God Center of all life.

Stabilization of consciousness in Christ Truth or REALITY is rightfully named the City Foursquare. The square represents the WORD or the Creative Power in Its full capacity as the "I AM." In order to maintain stabilization and realization of the City Foursquare, the City of Light, one must hold equally in conscious awareness these components of REALITY: LOVE, LIGHT, LAW and LIFE. In this way does the Creative Power (living Flame of God Be-ing) release Itself as perfect creation in the name of the Father, Son and the Spirit. But, in this way, also, does the Word live in experiential capacity vibrating back into God (the Central Universe) the continual reflection of Him-Herself as Universal Life Energy. The Thought or Idea will always be re-energized quickly and never lose its momentum.

To be a part of this ongoing, life-giving universal plan, the Father-Mother wants you to inhabit the World of the Son/Sun, or the Bright World of love and light.

There is no turning away from this moment. It is with you, and as it is with you, be aware of the planet now offered as your home.

## A New Chapter

A new sphere has become visible to the Keepers of the Light. This "new" planet is playing a critical part in the deliverance of Earth to light. It can be accessed in your meditations and experienced for its credibility.

The overshadowing of the Bright World planet or sphere regulates the changes now taking place on this planet. It acts as a critical energy envoy and its job at this time is to regulate energy as it is thrust upon planet Earth by forces of emerging unity and divine intelligence. It is the role of many a Chohan to also oversee the planetary mother (Earth) as she corrects her position and resumes her pilgrimage into the Great Sun or Universal Life Star.

Without a doubt this is an exciting and inspiring era for all who have the spiritual courage to step into new shoes and walk in them. The Goddess Light of all nations moves all into One.

## A New System of Government — A New Way to Live

1. Establish the Grace of God in every circuit. All must feel the glory of the Impending Creator.

# The Remaking of a Planet

2. Creator Michael<sup>1</sup> designates the planet Earth as a light planet which will declare her allegiance to Him in the near future.
3. The Melchizedek Office firmly established on Earth welcomes the incoming power circuits of Creator Michael and will determine right use of this circuitry in balance with all creation.
4. The reestablishment of Divine Truth as Law within the Earth's Records can and will cause immediate vacating of opposing records. They will not be available for reference or recall.
5. These items above listed are but a few decisions that have been made by the Solar Councils of this Universe. You are now in a new world. Act upon this and reveal it.
6. In the name of our Creator I pass this to you.

## The Universe Plan

Joining with Earth's properties is the Bright World, a sphere of Universal Love. This overshadowing planet is a sphere of Universal Love which will mesh and then fuse with planet Earth.

The God Intelligence emerging through the Bright World is One. No one is above another, no one greater nor lesser. I AM the only One, as the divine Sun, the heart and core of all life. If you can bear witness to Me, you will become attuned to My life and in My life you will find the fulfillment you seek. *I would have you fulfilled.*

*continued from page 5*

*My blessing goes out to everyone, not just a chosen few. I have no chosen few. I AM the One. When Earth resettles in Love and Life, I, your Creator and Redeemer, will return to pay My respects to you and to those who have cooperated in harvesting the glad tidings of the Universe Son.*

*I bequeath to you My Life Energy. It is a precious gift that is restored to you that you, in turn, might fulfill the solar plan for Earth and all upon her. She is loved deeply in the world of light. Rekindle that love within your own heart that you might assist in My "second coming." I AM Michael Sananda. Sananda wears My name with his as your incoming Planetary Prince. Bear witness to this and so let it be. —Creator Michael*

## Apply the Spirit of Truth And Let the Devas of Resurrection Be with You

You have the Spirit of Truth ready to serve with you as confirmation of God's Will and divine guidance.

Have you - at times - received a revelation or a direction as to right action in your life, and yet been plagued with doubt, anxiety. "Did I hear right? Was

this the Inner Voice of Truth or was it my desire?" Following an Inner Voice instruction, revelation or vision, ask for the Spirit of Truth to verify what you have received. Often the Spirit is already a witnessing part of the inner direction or revelation. That is why you know that you know. But—you may begin to think about and analyze your inner direction and thus cause worry, doubt and anxiety to destroy your communication with God. To prevent this from occurring, ask for the Spirit of Truth. Ask that It stand with you in the Inner Voice communication and the fulfilling of that communication as the Word becomes flesh. The moment you begin to mentalize the Voice of Truth, ask for the Spirit of Truth! This will direct your flow of thought upward into the higher chakras and lift you out of mental conflict. I hope you will follow this because it will work for you and will eliminate much if not all stress in your life.

## Now Harvest My Son in You: I AM

June 18, 1999

Let us speak with the Holy Breath so that every word is substance waiting to be formed. Let us go into our higher self and breathe the light, the light of Creative Power given once again to the initiates for this time, for this era.

<sup>1</sup>Or Christ Michael is the Universe Creator who carries the Plan of The Father and designates it. He represents the true government of our universe and the Father's Will. Much has been given through the Melchizedek Records about Michael, which is available in issues of *The University Papers* and *The Specials*.

*continued on page 7*

# The Remaking of a Planet

continued from page 6

This is a time, a period of great revelation but it imparts itself by the Holy Breath. You have majesty when you breathe the light.

Step carefully on every living thing. Watch your steps that you hurt not one another. Breathe the light and speak in the power of truth after the order of Sananda.

Know that every word is heard and acted upon by the angelic kingdom. They wait for your sound. They joy in it.

Do not use your words loosely for they can only pull you down and perhaps in some ways hurt those around you. Speak positively. Speak in purpose. Lift up your heart and mind to the rhythm of almighty God and remember you have the Voice.

That which has been forgotten is given after the order of Melchizedek. The temple trembles, yet the light pours forth in the joy of initiation into the great and powerful Holy Breath of the Mother.

Restore My kingdom to light. Then Christ walks this Earth in every human being. And in all this I say, Amen.

\* \* \*

There has been a lot of detail and attention paid to the speaking voice. It becomes more and more and more important for us to use it correctly. There is no compromise here for this initiation. There cannot be the tiniest twitter that is not in the light, giving forth the joy of being.

Walk in the Breath, for Son and Daughter are one. Michael, your

Universe Creator, with the Creative Daughter are embodying themselves as *one* Being, transforming this Earth into a living heaven, and angels rejoice.

Your voice is a medium for this transformation. You must carry it with great majesty. **Your tones tell the angels that which must be given forth and embodied.** It is the song of the universe, the Voice of God, yours alone to speak in the name of Jesus.

## The Creator Is You

Be the pure Creator in yourself. Let not the world shake that. For Jesus was the Creator in himself. He made a path for you that you might be that which he has always been.

The very core of your being is the truth of your identity. If you touch this place, you touch the Creator. You are not separate from the Creator. I AM closer than breathing. There's never been anything but I AM, emanating as your own being. With this in mind speak. **Have your being in Me. Together we are One.**

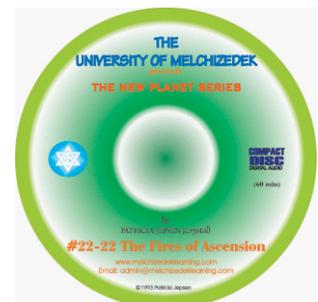

There has never been anything but the Holy Breath reseeding Itself as the I AM. I AM is the divine source of all supply. This truth has been missed because it is so close.

The system that we have been familiar with for so long is dissolving. It is no longer valid on this planetary system. It has

no usefulness, nor can it in any way serve the divine plan. Now it is time to remove it and it is dissolving in currents of love and laughter.

See that all your attention is focused upon the new life system, and the Creative Power that is in place, as the old system breaks apart. Without a system government there can be no world. Your belief system creates who you are and where you are and how you will live. In other words, consciousness, your conscious awareness, is your environment. This day let us be the bright world of light and there let us remain. We were sent to do this. Let us not forget. Let us do that which we have come to do. It is time.

—Crystal
