# University of Melchizedek Study Program – Advanced Study in Metaphysics and Spiritual Initiation

The University of Melchizedek is a consciousness ascension school made available by the Great White Brotherhood of Ascended Masters and the Order of Melchizedek. You will rediscover your Divine Self, the Priesthood of Melchizedek and the Eternal Truth that has been faithfully guarded throughout the ages within the Mystery Schools of Higher Learning and the Great Temples of I AM. Permission has been given to release these records and to pass them to you, as you so require them in your ascension journey. Program offerings include:

## The Melchizedek Learning Degrees of Study

The Revealed Teachings of Melchizedek compiled and translated through the I AM Presence by Patricia Jepsen (Crystal). These teachings of the Light are presented as a series of **eight courses** in **four degrees**. An Ascended Master will accompany you within the Temples of Learning as your inner teacher and guide.

The radiations of the Higher Mind vibrate through these teachings as mathematical cubits of power and light, designed to open you into a World of the Presence -- an energy field that will continue to heighten and spiral in Universal Mind and Heart.

## Priesthood of Melchizedek Study Program

The University is a school for the Priesthood; it presents the foundation of the Order and offers a practical guide to living the Order of Melchizedek.

One enters the Priesthood of Melchizedek when one is fused with the Inner Voice or Thought Adjuster. This brings forth the living Priesthood within the individual.

To enter the Priesthood one must answer the call to "leave the nets" and follow the Christ after the Order of Melchizedek.

For those who have received the calling to serve as a priest or priestess after the Order of Melchizedek, the University offers a seven-course program of study, **The Seven Seals of Initiation**, in preparation for the priesthood.

This course of study provides a solid base for the meeting of Melchizedek (oneness with God) in your own heart-mind.

### The Seven Seals of Initiation

**Course 1:** Entering the Priesthood -- **Texts:** *The GodSelf* and *The Workbook*

**Course 2:** Anchoring the Priesthood -- **Text:** *Living the GodSelf*

**Course 3:** Entering the World of Melchizedek -- **Text:** *Beyond Religion*
