An Invitation to Love

**The Light will never go out. You may change, to be sure,
but the Light Itself will not leave this planet.**

Go into Love

As the Guardian Angel for the frequency of this planet, I can assure you that the planet herself is safe and sound. However, you as humans, must change your ways radically so that you might be creators in the higher vibration of My Solar Son. I speak of this now and why Love is so important.

Your immediate potential is the Solar Son, the Christ Within. Here, in this spot of connectiveness, the Earth will rally forth as the Christ Headquarters and so join other planets in the radiation of My Divine Plan.

To cooperate with My Plan it is necessary for you *to take your place* in the vibratory rhythm of My Christ Name.

The Position of Earth Now

Solar Dynamics forbid laggards to encroach on the planet's vibratory rhythm. She will not allow those who have previously caused disturbance to her ascension to remain. Unless the attitude of those who have argued against Earth rising changes immediately, there will be - forced upon Earth - the Karmic Board's decision to lift off the planet any who are a deterrent to her resurrection and ascension. This is the Will of the Father and planetary decision.

Earth is rising. She is preparing for a cosmic leap into a whole new dimension that the Creator has prepared for her of Himself. Even as I speak, this dynamic cosmic shift is occurring.

You, who wish to remain with Earth in her planetary change, take on your new bodies of light. Use your Creative Power and serve the planet with all your desires, visions and planetary goals. Relax into the tide of

perfection and so give Earth her rightful due as your sister and your partner.

Let go of present relationships. Be clothed in the High Self or the GodSelf. Listen to your soul's intent and masquerade no longer in the mortal vibration.

You have been cleansed that you might rise with our Earth and so continue your journey with her after the order of Melchizedek. Be the example of this to all peoples. You are children of the Light!

The Coming of the Melchizedeks

Approximately every two thousand years you will see an influx of the Melchizedek Order for the purpose of re-indoctrination of the planet as a service center for Creator Michael, the Universe Father-Son. The position of the Earth at this time is one of new birth. She is much like a pregnant womb opening to reveal the next dimension of divine unveiling.

You who are thirsty to behold your Universe Creator in the body of Jesus may have the

opportunity to fix your eyes upon Him as He fulfills His mission and returns. Those who have the eyes to behold Him, will see the reins of ultimate power placed in His hands as Creator Michael, Son of Suns. From this time forth, the rule of law will be, indeed, the Law of the land. Ultimate Power is decreed from on High and He who bears this power, bears the reins of government in the Solar System.

Thus, the influx of Melchizedek Energy secures the Office of the Solar Son as He takes His position on earth and in the solar regions of Christ leadership (as Sananda).¹

The reins of government belong in your hands now, as you become Solar Son shining forth as your own Christ Center. You have prepared yourself through the constant attention to your Inner Voice and the God Center that you are. You will be as a Sun shining forth the Living Truth after the order of Melchizedek.

What About Moses?

Those of you who are familiar with the story of Moses know that he never reached the "Promised Land." He could rouse the hunger for this Land among his people but he could not satisfy that hunger. That would come later as the One we call Jesus appeared vibrationally to proclaim the Living Word.

The One we know as Jesus, Emmanuel or God within us, is the

¹ Sananda is the ascended name of Jesus. He is the Christ Energy focus for this time.

continued from page 2

Living Truth, High Priest after the order of Melchizedek. He demonstrated the Promised Land. He said, "Come, all those who are heavy-laden and lost, and I will give you rest." He proclaimed that the Kingdom of God (the promised Land) lay within every heart and the Master called upon each of us to take up our bed and walk as He has walked in the fulfillment of the Divine One.

The Ten Commandments - given to us by Moses - are obsolete. The Consciousness of Jesus could not have presented the consciousness of the Ten Commandments. He would never have introduced a negative into a command. He would have assumed and affirmed and decreed the perfection of your Christ Self.

Are you familiar with the Ten Commandments? Let us look at them through the Master's eyes and be cleansed of them. For they are not sacred unto the Christ, nor should you be subject to them. You are the living water of I AM.

The introduction or INSERTION of a negative into a direct decree will produce of itself the negative. You are a vessel of God Consciousness, a Light that shines in the darkness.

When you pray, pray in this manner:

Our Father who IS in heaven, hallowed BE your name. (I glorify my Father by my BELIEF

in Him. I know I AM. Thus I walk in glory all the days of my life. And so it is.)

Let the Christ Power emanate from your Solar Lamp, the GodSelf. Decree from the Presence of God. All statements should be made from this Consciousness. NEVER insert a negative suggestion, such as was attributed to the Ten Commandments. Give God the Power and the Holy Lamps will be lit throughout the earth in the Name of Jesus. *I AM the resurrection and the life.*

The Given Truth

A dynamic change is taking place on this planet. You are in the midst of this mighty vibrational shift into a new dimension of perfect love. The healing of this love forgives the past, as all are invited to move forward into a new Body of Christ, the Solar Son.

Allow this Truth to penetrate every cell of your being. Live in this love that it may qualify itself as your field of energy. Be of this love.

I have given you much to think about. And in this Hour - My mighty Hour of Second Coming - accept the Grace of My Hand and bestow it on another as I give to you. Take the peace that I give to you and bestow it on others. We work together, you and I, as

The Second Coming

The University Papers No. 158

Let My Second Coming stir in you. If you have Me, you have everything. For AM I not all? A generous Father gives Himself to His Son, and magnifies His Light while doing so.

The world is shaken. The Risen Christ is through the veil and shall dominate the passage into a whole New World of Light and Love.

Who comes is that One who has come before, but in a new body; and the Priesthood walks with Him. Every member of the University and the Melchizedek Priesthood is under preparation for this vibrating command center that I call Love. We are waiting now for further orders as to what He would have us do and in what way we can facilitate His entrance into the I AM Consciousness of His children.

The former must pass away. Nothing can remain save the new. Processing out the old way of thinking has been difficult. It has been far from easy, we know this, yet we must also say that all who are entertaining the Oneness can become even clearer in the personification of that order of Being.

Behind the incoming Light, rests a shield - a forcefield. And from this shield of protection is emerging the guardianship of the Angelic Corps, all loyal to the commander-in-chief, the Son of God in you, the Risen Christ Vibration.

Every Solar Son will meet His Maker in a new way. No one will die the death of the mortals. No one will pass, as One is needed for the new vibration of Creator Michael and His Beloved Twin. You must all rise to this occasion now and realize death has no place in the risen

consciousness.

As all must come Home in this manner, there is a need now to form support groups to energize and to value the Deathless Race, that which you are as you vibrate the Second Coming in you. For you have not been brought to earth to die. *This is a new order.* You have come to rise to *new life* and to recognize the First and the Last, the Grand Order of the Son, as your own being: the I AM.

This Proclamation has been given as *Living Water* to all those who will drink in the Brotherhood of Light.

Peace on Earth and Joy to all in human form. I have come that you might see Me in yourself as I AM.

I AM the Second Coming

Before Abraham was I AM.¹ There is one Life and that Life is speaking as the Christ of you. The Christ vibrating through you is the Son/Sun emerging. It is the Solar Consciousness rising in you as the emerging Christ Essence of God the Supreme. It is the sacred Light (I AM) realizing Itself, as a New World opens to receive the

¹John 8:58.

²The ones closest to God.

Perfect Order of Melchizedek and the Solar Sons.

He who is within me is greater than he who is without. I AM the rising of My own Being, emerging now through My Israel.² I AM the One who is sent from the beginning - imagined from the beginning. I AM the Christ and I AM the Seed of God in the heart of humanity. I rise now within everyone who is prepared to receive Me as God within.

I have not spared you from suffering. Those who have suffered now know the reason for their suffering. I bring good tidings to you. Release the flesh! I AM ready - as a baby chicken cracks through the egg - to form My own body of light. Thus, when I say release the flesh, I say it because your new and vital body is emerging from the seal of Melchizedek to the light-life of this New World. I shall embody as you. We are One. The desert shall bloom as a rose. No one is left behind, for all must come to this. So says the One who is I AM. I immortalize My being through you. It is the Christ body that is forming, *the body of light and love.* He

continued on page 5

The Second Coming

who is in My body is in My soul. Therein is My form decreed, golden and supreme. We are One.

What was set 2000 years ago in the ascension of Jesus the Christ is rising in man and through man. This is the Second Coming—the sacred light of all who have been tested and tried and given new birth in Me.

Come forth now as One who is called. In union with others, walk as one body and breathe the Breath of the Comforter. See no one as different than you. *We are all the same.* Brother meets brother, sister meets sister in the life energy of the Solar Consciousness. Then peace will come. It will be regulated by your own being, and in you I rest. SolenAum Solen. The Light of I AM.

The Paradigm Shift

A new order begins. We have waited a very long period of time for this to occur—the reseeding of Love on this planet. Now we see it coming in as an enormous light fulfilling its destiny as God's plan.

When shortness of breath occurs, transfer your alignment out of the physical and mortal breath into the one Breath. There is no death. We are all of one breath—with the same light—and we complete ourselves in joy.

Reach out now to brothers and sisters all over this earth. Embrace

³Thought Adjuster, the Father within, the spiritual flowing Mind Energy that seeks to fuse with you as the I AM Consciousness.

⁴When a Name of a deity or Ascended Master is uttered, it will bring the nature of that One into awareness. It will also create a situation of chaos to unlock new records and destroy old ones. We are cautious always and do not speak the Name of One less it is right to do so, according to the sacred plan of the Creator and His-Her fulfillment at that moment. We are responsible for the vibrations we transmit at any given time. Therefore, caution is always exercised as we speak the full name of the precious one.

continued from page 4

all life and seek to bring greater understanding to the emerging body. Great is My dependence on you in Me. For I AM made of That which is within you. I AM the Light forming of Itself, and I AM joyously expectant in My emerging body. Have My body as your own. We are One.

Therefore, possess nothing. (I AM your Adjuster.)³ Be whole in Me. Pass no thought of criticism and say only the words I give to you to say. For there is no time left for other than My light, so let it be.

My days are ordered out of Me. They have a purpose. All is ordered from the Son of God who is Conscious of you as Him-Herself. Realize that all must return to the One. It is here in this Oneness that the Order of Melchizedek is built. What you see as the Pyramid of Giza is the Order of Melchizedek vibrating to you the Law on Earth.

There are such pyramids - not built by man's hand - but by the Order. Every block of the pyramid emits the Law and the creative purpose of unifying into Oneness. There are few planets left on this solar system that do not have the Great Pyramid radiating forth into the light of the

Son/Sun. These pyramids are connecting into one pyramid - flashing into one another coded messages from the Supreme Lord. Thus, all will be connected in the nature of your Universe Creator. And this name shall not be uttered at this time.⁴

Immortality

Before Abraham was, I AM.

(John 8:58 King James Version)

Jesus said to them Truly, truly, I say to you, Before Abraham was born, I was.

(John 8:58 George M.

Lamsa's Translation from the Aramaic)

Look not away from this text, but into it. What do you see that I have not shown you before? Have you been with Me so long, yet have not known Me? *I AM you.*

I AM your earth brother, yet I AM also your Presence within. I have released Myself in you that you might become entitled - heirs of the Kingdom with Me.

Rise and be counted. Fall not away from Me. A new dawn is coming. I approach in the new dawn. We are One.

continued on page 6

The Second Coming

Even as I speak, words pass without understanding. Ask for the Spirit of Truth to aid you in deeper understanding of My Word. There is no thought that you cannot understand if you take upon yourself the Spirit of Truth. Let the Spirit, released by My Word, help you to understand the way of Christ Truth and the solar magnificence of your own being as the I AM.

Look now at my words recorded in John. I shall give you self-governance by My Word. See how simply My Word is given. Without embellishment, I speak. Before the word "man" was ever uttered, you were light, kindled in the Fire of Immortal Being. The world knew you not, but I knew you. I have never forgotten that I have uttered you through My own Being and breathed you into My life as the Solar Son, the Christ emerging.

You are not of man. You are not of the flesh. *Before Abraham*. Go to the beginning. Listen to the words of the Light, the full message of the Christ within you.

Seal of Melchizedek

Degrees

In the ascension body, I have degrees of consciousness. Not all are at the same degree. What is not understood by one is understood fully and richly by another. There is an order to these degrees and each one is important, much like stair steps rising to heavenly gates of new awareness.

Be not impatient. The light shatters the darkness. Ignorance will melt away and you will know the truth.

continued from page 5

As you travel up the stairs into higher degrees of illumination, your body takes on new light also. What was good and proper for you at one degree may not be appropriate for you in the higher energy field. Dropping the mask of mortality is demanding in itself, yet greater and sweeter demands are made on you as you travel the path of light and journey upward, deeper, into God Consciousness.

Listen. Do not look back nor anticipate with expectations that which may come. Come to the place of Christ, the solar energy within, and keep your eye single to that light. Do not hold on to persons, place or things in your journey upward. Consciousness must be of itself in you, registering the I AM, forbidding all else to enter it.

To this degree, I must caution you: You are in an important time of change. You are altering your appearance and you are returning home to the Christ position I AM. Listen to the Inner Voice and even as you listen take careful note what that Voice is saying to you and with what voice it speaks. If you are not pleased with the sound, ask for the presence of Jesus to be with you. *My sheep know My voice*. I AM not a shepherd who would leave them wanting.

Go further now than man has ever gone on earth. Reach for

the stars. Within your heart and soul, a Christ emerges greater than I. This cannot be stopped—the movement of the Son. All is ordered and it is time. Weep no more.

The Unifying of Jesus in Man or Consciousness

Within humanity is the blueprint of Christ Jesus. This Seed is opening and realizing itself in every human heart. When this Seed opens and is established as the new creation, the GodMan will emerge and set this planet on a new course of destiny.

As there is no precedence for this emergence, many dimensions and worlds watch to learn. Be about the Father's business. Return to light from whence you have come. Remain alert to the ways of My Spirit in you. I will separate you from the masses and then I will place you amongst them that you might be a light upon the earth.

All who have walked this planet and appeared to you as spiritual saviors and teachers are a part of you. Even the one you know as Jesus is a part of you. He is called the blueprint for the new creation. His records of achievements belong to you. Therefore, take up the mantle of Christ and join with others in the waking hours of this New World of Solar Sons/Suns.

Angels and Archangels Workshop #1

▪ **As humanity searches for the way to save the Earth, the angels stand ready to serve.**

It is urgent that we face the fact that humanity by itself cannot heal our planet. It will be the Angels and the Deva Kingdom that will carry our planet to victory. It will be the angels that cleanse the face of our earth. It will be the angels who show us the way to live on planet Earth. It will be the angels who clear the air and dissolve the garbage, the nuclear waste, the pollution that has been created by misuse of the creative force. It will be the angels who will build with you great temples of light and love. And finally, it will be the angels who carry you to the next dimension of Creative Power, the World of Light.

A whole new life awaits us as we attune to the wholeness of life, and the Power that rests in life.

- **It will be the Angels who will transform the planet through your consciousness. They are ready. Are you?**

Under the watchful, faithful supervision of the Archangels - the Angels, Devas and Elementals serve with a promise of a new world golden and free. This will be the new energy field that humanity will not only be looking to, but also working with, *as the new physics embodies on this planet*. A unified energy field emerges with laws of its own conception. A new generation of love and light is forthcoming.

So, there is hope. Great hope. It is lasting hope waiting to be fulfilled.

Human beings know very little, if nothing, about the Elemental kingdoms, the world of the Angels and of the Devas. Few human beings know that the rock is alive and that the seas and oceans are the carriers of Creative Power, which serves the angels in their rebuilding of this planet!

There is much to learn about the creative power around us, the angels tell us. For this, we are establishing schools for the earth people to learn.

- **Let us change our laws to honor and recognize the angelic kingdom and the Creative Power, which it wields.**

As you bid goodbye to an old world, which has only proven destructive to earth, join with the angels in partnership in a new world of their making. The passing of the old world does not take you down with it *unless you are so attached to the ways of that world that you will not let go*. You must remain stable.

Catch an angel's hand right now! Take this hand extended to you and forget the past. Begin to learn the ways of the Light World.

You may ask to enter the schools of the angels and partake with them the counsel of Jesus and the World Mother whom you know as Mary. These schools are available so that you can open your consciousness to partnership with the Angels and the Deva Kingdom. **ASK NOW TO**

ENTER AND TO LEARN. This lesson series is the beginning of this school.

- **Angels can only act through a blueprint, a pattern.**

You have learned in your earth schools about the power of thought. And you have learned to meditate so that you can control your thoughts and emotions. Through the University of Melchizedek you have absorbed the lessons which assist you in your alignment to the Creator within, your Inner Voice. *Now all that you have learned, practiced and assimilated will be brought to bear in the new world of partnership with the angels*. This is a creative sphere where angels are aligned with you as Angel Energy. Here the power rests to rebuild the planet and make trees to grow again.

Through your alignment with the Inner Voice, Higher Mind frequency and divine Intent, you can now decree with the angels in partnership and the earth will become a paradise.

Angels - in their restorative and creative assignment for Earth and her creation - require that you rise to meet them in their world of interconnectedness and love. This is a requirement. Then, together, you will fulfill the orders of the Creator and restore this Earth to her light form and all creation with her.

continued on page 8

Living in Partnership

- **You must become an angelic force yourself and learn to create with the angels a perfect Earth, solar and divine!**

What blueprint or pattern shall you hold for Angel Energy to embody and form? Listen to your GodSelf, your Inner Voice, the deepest passion of your soul! Then, with the angels, design the World of Light and reclothe your planet with the body of the Sun.

Consider the Angels

Once you are united in conscious awareness with your Creator once again, and know no separation, you become *the active Creator body for this our time*. That is why the body must become as a sun or light. I, Crystal, looked up at the sky just a few minutes ago and I just gave a little thought to the angelic realm, to the Elementals and the Devas. And as I did, I saw their hands, they were all around this land - this Center - in a circle. It was like a canopy of perfect vibration covering this land and all upon it. And I saw all of them standing as a group. They had their hands raised as though they were preventing unpleasant changes in the weather. They were controlling the elements, governing the nature forces in love and gentleness.

As I acknowledged their work with gratitude in my heart, they, in turn, spoke these words to me: "You help us, we help you." It is impossible to describe the love and gentleness that was communicated to me with these words. I seemed to hold their words in my heart as though this was a very precious communication

continued from page 7

indeed. And I thought about what they said....

It made all the sense in the world that as we watch our emotions, take care not to soil the earth with our feelings, be conscious of the Elementals at all times and honor their work upon this planet, that we are helping the Angelic Beings who serve so lovingly.

It is very important that we remind ourselves that we have no right to be angry, no right in any way to pass negative judgments, no right to release selfish emotions on the land that we love. *We violate our contract with the light*. We have come to help Earth, not harm her.

I was reminded that if we cannot control our emotions, how can we expect to ascend and be partners in the universe? What contribution are we making if we dump our negativity on Mother Earth? Or heap it on another?

If we cannot control all emotions within this tiny little being that we are, how can we possibly contribute to the Ascended Masters' Plan and to the resurrection of the planet?

One of the easiest ways to control our emotions, to take command of ourselves, is to remember our love for the Elementals, our love for the planet, our love for the Angels. We need to remember that these Nature Spirits and all of the Angels of Light are repelled by uncontrolled anger and loud

noises. They are very sensitive beings and they turn away from those with angry feelings and selfish ways. It is time to attune with the angels. To become a partner in the resurrection and the rebuilding of this planet.

One body...

Angry words can fuel the storms and the earthquakes of these latter days. Be aware of this. Work with the planet in the light, not against her. We need helpers in the Sun!

We need to consciously remember that we contribute to wars that seem to be very far away—disturbances in different lands—by our negative thoughts and feelings. How quickly a negative feeling can be transported and can fill the heart and mind of people who do not understand how to control the emotions? Angry emotions oceans away may indeed add kindling to a fire and even spur a war! Energy in motion carries itself across the waters and can bring peace or increase the fighting of peoples and nations.

And so indeed, there is great responsibility, and we must, as beings upon this earth, cease to be self-centered and realize our service. The hands of the clock say it is time. It is time we all worked together *as one body*.

continued on page 9

Living in Partnership

continued from page 8

Please attend to the business at hand. You have greatness to tap and contributions to make. As you consciously become aware of your partners, all the Angels and Elementals who serve this planet, you will most certainly discover a joy and companionship in their love. Let us rise together, you and I, serving the Light!

**I AM Living Light joined with the Angels to bring God's heaven to earth and to light the world with my presence, my life!
As it is, so it shall be.**
