# THE ETERNAL FLAME

The University Papers No. 63

Even as He spoke, I began to see a change in Him.  
Now all at once He began to glow as if light was His raiment instead of such  
clothes as mortals wear or put on their dead. It was not on fire or flame or  
anything that burned; rather was it a self-illumination.  
(from The Last Enemy, available through this University)

## THE ETERNAL FLAME

Let go and let love in. Let the love that I AM be received in every cell, and in every muscle, and in every chakra, and all through your bodies. Let the love flow, as I AM love.

Receive this love into all kingdoms of this Earth. Receive it. Let the heart's blood of the Creator, which is love, pour into all kingdoms of God.

Let all hearts be open from the stone to the rock, to the tiniest animal, to the greatest elephant, to the tiger and to the wolf. Let the hearts be open and receive.

Let the vegetable kingdom be open. All devas receive and allow My love to pass through, FOR I WOULD ENTER YOU IN

## A NEW WAY.

Yes, into the mineral kingdom, into the vegetable kingdom, into the animal kingdom, into the human kingdom, into the Christ Kingdom of God. I AM blessing all My life with the great Intelligence of love. Open and be receptive.

Open and receive Me as love. This is the awakening time when all memories are stirred. Remember and know My Plan and hear My Voice. Come back to My Word.

Visibility is clearing. You will be able to see much clearer now. The veil has lifted. Let go that I might flow through you as love and vibrate into every cell and molecule of this body that you see and know. Receive Me as your lover.

All kingdoms be filled with love and flourish in it. Receive My love. Breathe into your being, your entire being, the divine love Who I AM, and receive Me in every cell. I want My tissue alive, not dead. I want you Christed in My Creative Power, lifted into My sanctuary. I would wish that you might see My Face. My clothing is of light.

## MY CHILDREN, COME

Jesus loves you. And this love will elevate you and will give you new breath of being. I WILL CONTAIN YOU IN MYSELF.

You are examples of My life. It is love that walks within you. **Harvest it.** Accept it.

Trade not My love for another. Let My love flow into the place of resistance. If you have a part of your body, your physical expression, your form, that is resisting or in resistance now, manifesting an imbalance, OPEN TO RECEIVE MY LOVE IN THAT PLACE.

Feel the walls of resistance breaking down, dissolving in the fires of My Being, My radioactive Self.

All dis-ease melts as you receive the Christ Incoming as love. Recognize the place of resistance wherever it might be, and RECEIVE MY LOVE. For I AM the bearer of a new day.

Let me love you. That is what the "crucifixion" is all about. When He was on the Cross, He received My love and was transfigured into the living light.

# THE ETERNAL FLAME

## THERE ARE DEGREES OF LIGHT

The love of God permeates your entire being. Cells become alive with love and the body dances in joy, as the beginning of the light body is shown. Behold this light. Your body is to be transfigured in light as I draw closer. The form dissolves. It reappears in a vital new way.

The message of love is the only message I have for you tonight. Bring it into your consciousness. Bring it into your lighted body. Hear the voice of Immanuel! The sacred love flowing from the Lord to you is unto you a cup and you drink; and the cup is purified in the radiation of My love. I would have every cell and atom, every molecule, every organ of your body feel this love.

Many clothes will you wear, yet this is the greatest robe and is the wedding garment, for I give you love. I AM passing to you at this moment, the greatest potion I have. Drink of this sacred wine and welcome it into your entire being; a welcoming response. And it is joy. You are meeting yourself in every dimension now, vibrating attunement.

## STAY WITH THE WORD

Dwell not on foreign substance. Come home to Me, where I can love you as My own. That that you wear and call your "physical body" is enraptured now by My love, and I know it as My own body, the body of the Christ.

We are at one. Your body is My body. My temple. My clothing for My Spirit - life. Therefore, come home to Me that I can vibrate through you as life eternal.

*continued from page 2*

## THE DIVINE MARRIAGE

Love is the marriage; love is the marriage of the Son - Daughter in the body of creation. The coming of the Lord is the **remembrance** of this love in you. So many times I have called, and you have not heard because there has not been enough love in your system. Now you can hear. And the body is trembling for My Word.

Every placement of cell is in perfect order. My body now rises - in conformity with My Will, generating great light - as the light, mortal no longer. It is the qualified body of the Lord in **the rhythm of My sound**. Hear My voice, O children of the light. I come.

## MY SOUND IS THE SOUND OF MY WORLD

Every circuit shall carry My sound, My Word. And the body is just as much a part of My circuit as all other parts of My Universe. Qualified in My sound, let the body come home to Me, and Be a Planetary Logos unto it. You are qualified in sound.

All seven bodies are vibrating to the Word. Even as the seven planets of your system now vibrate in attunement with My sound: AUM.

I have delivered My message for tonight. Be ye **qualified** in My alignment. Raise up your bodies into light. **I AM the resurrection and the path**. I know your

destiny. I know My own. This is the Last Testament. The one that you will remember most. I have **anticipated** this from the Beginning. So, Come.

You have been on a death watch. Now move into life. Go home now in the sound of Jesus, for the message of My Word is imminent. And learn to love, even as I love you.

## ENTER THE MASTER FLAME

I see a Master Flame that is love, the Original Creation. I understand that we are to nourish that Master Flame that I can see. This Master Flame that is love.

We remember It. We nourish It. We give It life in our consciousness AS OUR CONSCIOUSNESS. It has been planted upon this Earth. It is in this Earth at this time. It is the Master Flame of the Universe, but It is set upon this Earth as **the Flame of Love**. Remember It. Use It well. Nourish It, even as once we had the Eternal Flame so well guarded - so well cared for - so deeply honored. And we learned to nourish this Flame as Priests and Priestesses after the Order of Melchizedek.

And we remember how quickly that Flame was extinguished by the LIFELESS ONES who came.

We learned to live without this Master Flame. Now It is with us; It has been planted well. And It is guarded well in the consciousness of Man.

*continued on page 4*

# THE ETERNAL FLAME

Remember It is love. It is the great love of the Creator for you and for all His - Her creation. For you, It is the return of the Garden of Eden, the Plan of Melchizedek. It is the Two in harmony listening to God's Voice once again.

Wonder not. It is the Master Presence abiding within that Flame that guards you well and, indeed, touches the Flame within your own heart and lights It.

This Flame is declared at this time, in this Hour, as My love implanted in this Earth: to be nourished by the children of the light. I have a great harvest to proclaim! Order of Melchizedek. For this you have come, from the days of Egypt to this day. Know it, for it has come. The day of My blessing is here.

Let the waters of peace and joy and harmony wash over the forgotten years. Let the sufferings and the outpourings of injustice, the hurts and the shocks - these things - let them be stilled and quieted now. For I have restored My light upon this Earth, and I know you will guard It well. For you have come to do this. And I AM well pleased. Jesus of Nazareth and all those who stand with Me in the nourishment of this Flame as I AM.

Be ye stilled in the ever-present life I AM. Be ye quieted, as the water is stilled by My words. You are suns of the living light.

The Master Flame Be well established upon this Earth and guarded well by the Keepers of the Flame and the Masters of the Light. What is done is done and cannot be undone.

## LET'S TALK ABOUT COMMUNITY

(Following a group gathering at Ojai, California on January 5, 1992 I received this revelation and instruction for the time to come. I might add here that on that particular day there was an eclipse. The energies of-revelation were strong...)

Focus is on community and the BUILDING of community **throughout the world.** We are very concerned with **group consciousness** and how you react to one another.

In group meetings - under the great incoming star of Melchizedek - the group must always come first. This means the concern is for the group and the building and the release of thought forms that will assist humanity and all kingdoms.

We have had many, many years of 'self-growth.' Now we must concentrate on the group effort, a cooperative effort, in tune with the Hierarchy, our Christ Body. The moment you bring group energy or group consciousness down, you are karmically responsible. Need I remind you that the wisdom you have attained so far must be practiced?

Now remember this because it is very, very important.

Anything that should occur, that could bring the energy down when it is gathered is very, very serious. Please put the welfare of others before the welfare of yourself. **"There is no greater love than this, that a man lay down his life for the sake of his friends.** (John 15:13, Lamsa translation) Thus, if someone has upset you in the group, or you are angry, or upset in any way, take into consideration the group vibration and consciousness. For you must carry the whole, not the part. Raise your consciousness to the whole.

The group is your family. Your marriage is to the group now. (By "group" I mean community. Those that are gathered to receive and complete a thought form or revelation. Not a cult but whatever group is gathered for the purpose of world service. Thus we are not referring to a few people or a specific group of people but to the activity of groups be they in workshops, assemblies or the United Nations. It is the power of the many to achieve the One.)

As we have moved through the threshold (11 : 11 ) let us take up Jesus' words, "Who is my family?" Those who are gathered together **as one body**, they are your family. We are building group consciousness all over the Earth.

Why is community so important? It is a way that people will be able

*continued on page 5*

# THE ETERNAL FLAME

to support one another as released thought forms BEGIN TO TAKE HOLD. You will be called into communities ... communities that are compatible to your soul ray. And you will form these communities so that the thought forms, such as the building of the light body, the application of the Creative Power, will be supported and nourished. New cities will be built out of these communities and we will see a new economic order of Creative Power. With the emphasis on the Mother role in cosmic identity, these cities will be of a far different color and hue than those that you now see on this planet.

Nature will become a part - consciously - of your order because the Divine Mother, that Creative Daughter, carries the oneness: the order of the One. You will not build in the ways of the past, for you will be a part of a new order in which the Mother releases the Child, re-clothed and glorified.

## THE CHRIST BODY

As your Christ Consciousness rises into revelation of identity, so I must tell you that that Christ Consciousness, which is the Plan on earth, is knowing Itself as the **Christ Body**, the living idea I AM. It is through this Body (of the Lord, or Word) that true stabilization will occur. Group Consciousness will become a true reality. You leave the darkness into the light.

There is a cosmic Law that says : Like attracts like. Thus, in the building and/or assembling of these communities now needed to express the Christ Body, those who are of like mind will gather together and produce out of themselves a new world of power and glory.

*continued from page 4*

Many changes are occurring on your planet. Some of these changes will be severe, threatening even life itself in its present form. Thus you are called to build your communities in places so designated that you might be protected from much that will occur as the planet Earth sheds her present mantle and she, herself, moves into the light.

God The Supreme as the Christ Body is forming Itself in your planet and will call forth communities These communities will gradually become a form. or identity of the Supreme and in this way shall you know a new dimension. May the peace of God be with you in this effort.

## SUMMING UP

During the time of the full eclipse and the 11:11 observance, these three areas of Revelation were significant:

☆ The planting of the Great Master Flame of Love, that regenerates our nature and calls us actively into the Christ Body. This Master Flame - is part of our Earth now, and must be tended by those who have the consciousness of the powerful initiation of the Eternal Flame. It is a Flame that will not depart our planet, for Christ's Blood

runs through It and calls It into manifestation. Unlike the original Eternal Flame that had to be withdrawn from Egypt, this great Flame shall not be withdrawn. It is the Seat of government and governance.

☆ The light children are called to build communities out of their own consciousness. They will be called to certain areas, power points, and there meet souls like themselves. In **compatibility** they will assemble their communities and rebuild life on Earth cooperating with the natural law.

These communities will enhance and protect the new thought forms now stabilizing in the children of light.

If necessary, these communities will serve as pick - up points; so that if a "lift-off" is necessary, soul - families will form a unit to be transported to safe areas either on the planet or elsewhere in the cosmos.

☆ Finally, the body you have called your physical body is Jesus' body. The Christ Seed awakens to this truth and floods consciousness. All the powers that were Jesus' powers are part of your awareness as you can receive this revelation. The Body

# THE RELEASE OF THE MOTHER FLAME

SOLAR NEW SPECIAL VOL. 7 NO. 2

## ***The Book of Ra***

(Note: Ann Carpenter, who was present at the Ceremony and who is a Melchizedek Seer, reported that I, Crystal, was holding a large book in my hands - *The Book of Ra* - as I broadcasted the Mother Flame and Her release through the World Mother Sanctuary Vortex of the Breath.)

This is a broadcast from the Glorieta, New Mexico station from the holy spheres of the Creative Power and the Divine Mother.

This is Crystal speaking in the Vibration of Christ *I AM That I AM*, bringing forth the Mother Flame this day under the auspices of the Christ and the Great White Brotherhood. I open the Vortex here to the Flame of the Mother that She may supply this area with Her blessed Voice and Her Creative Power that instantly - *I say instantly* - will manifest *as I speak*. For now, we are in a corridor of the Creative Power, the Central Flame of the Solar Union of Man and God. And that which is ordained to be is now in fluid action. As the Mother speaks, *it is done*.

Now that the Flame has been released and the magnificent corridor of the Creative Power has become active - no longer dormant, waiting - but I say ACTIVE in the vibratory accord of the Solar Union of the Melchizedek Order and the Divine Mother Flame: this is the time of action. It is the time of Melchizedek order - I say, ORDER - *and we will walk as gods upon this earth!* And very gently we will walk and honor the Flame of the Divine Mother.

Every moment is sacred, not one moment can be lost. We are in a

position here that will change the earth, but we must walk with care in this ministry. We must say the words that are given and offered - no other. We must see that only the ones who are prepared can enter this Vortex or much harm can be done if we misuse this energy.

Be at peace, My people. Take this work seriously. You are not divided. You are one. Send light all over the Earth and become as I AM: the Voice in the rhythm of God.

THIS IS A VORTEX THAT HAS BEEN OPENED TO THE MOTHER FLAME AS SHE IS BURSTING FORTH TO BE USED, TO BE FORMED OF THE GLORIOUS WILL OF OUR CREATOR SON CHRIST MICHAEL AND ALL THOSE WHO APPEAR WITH HIM IN THE INTELLIGENCE OF I AM.

This now brings out a new era or dimension of Service. Walk with care upon this earth. Lust no more. Receive the glorious benediction of the Holy Mother and become a Light yourself. This will please Her and the Father in the Son.

With this Voice of Truth you will remake this earth and you will speak in Christ Light and the Fountain will run; and we will see great creations appear and the Solar Son.

This Announcement has gone forth to *all* the Units of the Holy Spheres of the New Creation. Speak only the Word. In this Word the *full supply* of the Divine Mother will cause manifestation and Truth to appear in the Name of Jesus, Our Lord, The Christ.

SEAL OF MELCHIZEDEK!

Let the Dance begin!

## **Ancient Egypt and the Rising of the Mother Flame The Temple of the Divine Mother**

You must embody this Flame to become the actualization of Creative Power. No one enters this Power without subduing the ego. When you are asked to step in and fulfil your destiny as a creator and out picturing of the Goddess Flame on earth, your base chakras cannot carry any desire of the past, sensual pleasures or lower "man." You must be cleared of all this and you must not eat of the flesh of any animal brother-sister or any of the sea creatures. You must be free of anxiety and live for the unity of all life in the One. Then the Mother Flame will accept you into Herself and release to you the Creative Power or DAUGHTER as the manifestation power, the Word made flesh.

Do not attempt this Initiation or force it in any way. When it is time for you to step into this Christ Force Field of sheer Power, you will be able to do so and to translate Power into Christ Love for all nations and all peoples. Harmless must be your quest and in this way, you can enter Her and fulfil your destiny as a god.

# THE PASSING OF THE FLAME

SOLAR NEWS VOL. 8 NO. 1

January 20, 2009

The January 20th gathering at the University of Melchizedek Center will begin with an evening meditation on the 19th. Then we will hold the Light throughout the Inauguration ceremony as we transmit our energy into the New Light Government that will be overshadowing President-elect Obama. At that time the Lord Sanat Kumara, Lord of Venus, will pass the Eternal Flame to Lord Sananda, and from His hand It will be placed within a vortex on the planet. The place has not been revealed.

Since the early pharaohs of Egypt there has been no Flame on the planet. The dark priesthood that infiltrated the Earth caused the vibrations that would contain the Eternal Flame to become weakened and threatened by the onslaught of power being rendered to Darkness. The Voice was no longer heard or carried as the Priesthood of Melchizedek, the eternal priesthood of God; and the words that were uttered by the false priesthood were not of God's Voice or of His-Her tongue. So, it became the decision to remove the Eternal Flame from Her place in Ancient Egypt. (It had been transported from the sinking continent of Atlantis and this had to happen rapidly.) The Planetary Hierarchy and the Priesthood of Melchizedek determined the hiding place for the Great Flame of Union, and It was then quickly removed. Because it was the Lord Sanat Kumara who came to the rescue of Earth as she was threatened with darkness, He communicated to the Melchizedek Priests and Priestess, who served as Light Guardians of the Energy, that He would accept this

Flame and see that It was protected until that time when Earth began to rise in consciousness and the full Melchizedek Priesthood could be returned to Earth. With the announcement of the *New Covenant* by Jesus, the foundation was laid to plan the return to Earth of the Flame and the Priesthood.

Lord Jesus represented the Melchizedek Order and Priesthood vibrating always the conscious Voice of Union with the Father-Mother God. The Master is credited with restoring the Word, conscious union with the Divine Presence, and planting the Seed, once again, of mastery with the Voice. Please refer to Hebrews 5:10, which declares: *So he was called by God a high priest after the order of Melchizedek.* (George M. Lamsa Translation)

With the appointment of Lord Jesus as high priest and the return of the true priesthood, the God (Good) Seed<sup>1</sup> could now be awakened in Revelation as God in man. The following *New Covenant*, brought to Earth by Jesus, opened the way for the return of the Eternal Flame and the Creator's Voice as the I AM, Source of all power, within the heart of humanity. As Jesus spoke the words of the New Covenant to His disciples and followers, there was a mighty hush about the room. The corridors were still. Then came the sound of rushing waters. The Holy Spirit, Mother of Life, put Her stamp on the words He spoke AND GAVE THEM LIFE. As Jesus made clear and in many cases was soon forgotten: *Behold I give you a New Covenant. Within this Covenant rests the*

*Presence of the I AM. I have dressed it with My Light. Will you accept it? For when a New Covenant is given, then the old covenant is no longer true. It is washed away through the suffering of those who have gone before you.*

Here is the *New Covenant*, blessed by the living essence of the Christ. (Hebrews 8:10-13)

10 *For this shall be the covenant that I will make with the house of Israel after those days, says the Lord: I will put my law into their minds and I will write it on their hearts; and I will be their God and they shall be my people.*

11 *And no man shall teach his neighbor, neither his brother, saying, Know the Lord; for all shall know me, from the youngest to the oldest.*

12 *And I will forgive their wickedness and I will no longer remember their sins;*

13 *For he has spoken of a new covenant; the first one has become old, and that which is old and obsolete is near destruction.*

The Ones who are appointed to transmit the Flame to Earth and be as ones who broadcast her vibrant energy of LIFE are trained in speaking the Word and registering the magnificent sound of the living Voice of the

God Presence. The true Priesthood is returning and these ones carry the Christ Energy and the Mother's Voice of I AM. All who are true priests after the Order of Melchizedek speak in and with the Creator's Voice and sound His Word throughout the heavens. The governing Light, the Eternal Flame, will give of Herself to the Priests and Priestesses who are empty to be filled, and who are trained by the Ancient of Days to vibrate forth the Laws of the Land and the Presence throughout the Earth. This is the true Priesthood ordained by God. All else is for naught and cannot survive this new era of the Solar I AM.

All governance of the Creator and Planetary Prince will emanate through the Eternal Flame. And the government of The One that was taught in Salem by Machiventa Melchizedek will be restored. Let the Light Come and the heavens sing. Oh,
