

## *Return of the Light*

### *A University of Melchizedek Newsletter*

January 2008 - Copyright 2008 by Patricia Jepsen Chuse ("Crystal")

*I promise you nothing of this world, for "I" have naught to do with the appearance. My declaration is of a greater place. Your atomic field is changing. You are more than you think. Rest in Me. I AM the new world that you seek. I call My children home. What you see is not real, for I AM all there is. There is no other.*

*(The GodSelf by Patricia Jepsen Chuse, 17:29)*

*The GodSelf* is available at the University Store ([www.melchizedeklearning.com](http://www.melchizedeklearning.com)), amazon.com or spiritual/metaphysical bookstores.

## *Spirit Law*

The spiraling consciousness of humanity has reached the point of no return. There is no turning back now! The Solar energies that have collected into a harvest of light are causing the planet to enter a new dimensional frequency and to carry with her all life. This is a graduation process. Many are feeling the spiraling light. Some are confused because they feel their lives being "broken apart." There is a new law taking effect for Earth and all humanity. It is called "Spirit Law." And through this Law will all things manifest and be created.

The world is being emptied to be filled with the Christ energy of the Beloved, who is taking all with Him. Anchor in the Flame. It is the only "safe" place to be.

Christ Michael, the Universe Creator, is imposing His body upon the Earth. It is the overcoming and the dissolution of all that has caused suffering to our planet—the mortal shell. Creative circuits that are of Christ Michael's body are now surrounding

Earth. The Solar ascension has begun. You are now in a vibration of Light as it never has been felt before and Solar union is imminent.

What has changed for you? The attraction of like energies—force fields of conscious remembrance—as well as the magnetic drive of the Creator Himself is causing old “fields” to drop away. This means that a life as you have experienced it is inoperative. It is as though you have died and been reborn into a new world and a new way of thinking and being. This is the immortal circuit and it has come to pass that the Spirit Law is the ruling Master of the centers of the Earth.

Those who have been with you in your most recent life may disappear now from your experience. The magnetic Law of Attraction is now from the soul, not the mortal self. You are being drawn into a higher energy field where your relationships and working companions are of the soul alignment. In this magnetic energy field the Law is of the Spirit Body where man and God are one. Remember, your relationships are changing and you are moving quickly into your alignment with the Christ Principle and your soul family. This is a whole new life.

Your destiny is to be an immortal, one who lives Life fully as Life. And all that has gone before you will be as it never was. Open to receive your new life abundant. Stay free, be open and be receptive! And have no fear for God is love.

Abandon all prophecies that you have learned, for none of them are true. Relax in the Consciousness of the One. You are touched by God. Holy spheres open to you that have never been opened before. Live generously. You have the power to produce of yourself that which I AM.

Communities will be formed of Me. I draw those who are of like mind and heart into communities. And I rule over those communities as Spirit Law, the Law of the Solar Dimension. You are in that Law now and it is functioning through your life as the Son of God emerges as you.

## **The Body of God**

*Be of service to others. That is what your life here on Earth is about. When you think of yourself, My Life expression is halted in you. Live to serve and seek My Word. Thus you will be fed and clothed in the abundance I AM.*

There is no escaping Spirit Law. It is the Body of God and it is the Solar Consciousness of the New World. You will leave the world as you have known it and function only in Me, the Solar Light of the GodSelf.

Am I no longer an individual who can think my own thoughts and receive credit for what I do? you might ask.

This is a new dimension. It is entirely new to a long-suffering Earth. The first Law of Being is ONENESS. It is that Law that will ensure that death is no more and that the

web of life is acting in oneness with the Solar System and galaxies. You will now live together as one.

Yet let the Record show this, out of the Oneness comes My Voice. It is the Song of My Life and each one has his or her own note or vibration. Listening to your Inner Voice will bring you together in a cooperative whole as the Earth Dance begins. Listening to your Inner Voice gives you the individual expression of the soul that harmonizes with God's Plan. You are at one, and out of the Oneness—union with all Life—comes the creative spark of your individual soul expression. Spirit Law oversees this alignment.

The power of God transfigures all life. It is Time.

***Seven Thought Seeds***  
***One for each day of the week***

1. You are created wealthy, beautiful and divine. *Be* these things.
2. God is Love. Therefore, you were born in Love. Return to your true parent, Father-Mother God. In Them you have your being and I AM That.
3. Draw from your bank account within. The appearance around you is temporal, subject to your consciousness and your state of mind. When you turn within to your God Center, the appearance must change. It is the will of God is to reveal Himself.
4. No harm can come to you in Love. Be there in the First Anointing. Love is not only a shield but it is the awesome power of God.
5. God wants you to be God-like. Include God in every thought, feeling and action.
6. Let your consciousness radiate joy—the angels' playland. Be conscious of the angelic kingdom and be with them in your assignment.
7. Stand strong in your God Place. Hear My Voice. Hate no one. Take no enemies. Punish no one. Unconditional Love causes the eyes to see and the heart to know. Be Christed After the Order of Melchizedek.
